Stolen Car Wrecked By Two Juveniles

A speed of 105 m.p.h. and a concrete bridge on US 23-441 on August 15 demolished an automobile stolen in Franklin. The two allegedly stole a 1955 Chevrolet owned by Gilmer A. Jones, of Franklin.

Highway Patrolman S. W. Sanford, of Sylva, reported the vehicle was demolished when it hit the bridge about 9:30 a.m. after a speed of 105. The youths, unidentified because of their age, appeared before Mrs. Kate M. Wrinn, juvenile judge.

IT PAYS TO Shop at Home

... because you deal with folks you know!

● The moment you enter one of your local stores, you feel right at home. "Good Morning, Mrs. Jones," "Hi Bill," "How are you doing, Junior?", the friendly sales clerk sings out.

Everybody likes this. We all like to be recognized and mad? to feel at home and to know that our patronage is really appreciated. Shopping at home can give you that inner satisfaction that you can never get out-of-town.

But there is more to it than just the friendly feeling. By knowing you well, the local stores get to know your tastes and preferences. There's no end to the personal touches that the local stores include in their service without extra charge.

Get that sort of service in some other community? Positively, no! It's strictly a home-town deal.

and besides you get an EXTRA dividend

The money you spend in your home town stores is the only thing that makes their growth possible. With your patronage they can improve and expand their services—with all that these services mean to your every-day existence. Without your patronage, they could lose out, and so could you.
