will begin work on them within a week. A special survey will be made in connection with the score sheets in order to stimulate interest in the community development program and encourage more families to participate. The Young Adult Class of Carson Chapel is sponsoring the survey in the form of a questionnaire. Work on the community scrap book will begin as soon as the score sheets have been turned in. All special committees are urged to complete projects. Members are reminded that home beautification is an individual project, as well as community, and the community prize for that has been doubled

this year. For the recreational part of the program, Mrs. Florence S. Sherrill directed a new game, "Bible Baseball".

**Letters Read**

Carson Home Demonstration Club met at the community building Tuesday, September 8, with Mrs. Earl Cabe, president, presiding. Letters were read from the war orphan in Greece, who was adopted by Macon County Home Demonstration Club women and \$4 was donated for his support. Also, \$1 was given for CARE. Plans were made concerning "Achievement Day" to be held at the Patton community building October 9. Carson club women will take desserts as their contribution to the covered dish dinner.

A craft day will be held September 16 at the Carson community building for the purpose of making aluminum and wooden trays. Women in the community who are interested in joining the home demonstration club are especially invited to this workshop.

Slides taken at the Macon County Fair were shown by Mrs. Florence S. Sherrill. Plans also were discussed for next year's exhibit. Club women made plans to help with clothing project at the new school under the direction of Miss Esther Seay. Some women met last Thursday to fit and sew these clothes.

Refreshments of cookies and fruit juice were served by Mrs. Earl Cabe.

Swafford's Sayin's

Howdy Folks:  
Another year has rolled by and your 'Ole Country Grocery marks down No. 13. Many things—both good and bad—have happened since I came here. I've seen good friends and neighbors come and go, others are still with me—thank the good Lord. I don't know what I would do if it were not for the support of so many friends. Many whom I trusted as friends have proved otherwise, but, when you stay in the grocery business, you learn who's who.

Many of my friends, whom I had not met, have been by this summer and told me how much they enjoy reading my ad. I want to thank all of them again for their nice comments about my place. I appreciate constructive criticism.

There's one or two things I'd like to get straight. One is that I don't work here and in a store in the County seat. My brother works up there and I work here, and if we look alike—I don't look like him—he looks like me. I couldn't possibly look like him 'cause I was here first—you just feel sorry for him. Another thing that bothers me—I don't have everything people want. But when I get to thinkin' right about it—I don't have everything I want—so why should you expect me to have everything you want?

Seriously folks, I want to thank you again for your loyal support to the 'Ole Country Grocery, and hope that all who read my ad will drop by when you are by here and buy the buy of buys that I'm thinkin' of for this week end—just to celebrate my 13 years here. In fact you may find several specials.
