

TO SPONSOR CONTEST — Garden Club Holds Yule Meeting At Bundy Home

The Franklin Garden Club held its Christmas meeting Monday, at the home of Mrs. Steven Bundy, with Mrs. Robert Early and Mrs. T. D. Jones as co-hostesses.

In keeping with the Christmas month, the Bundy house was decorated with red berried holly and many pretty and interesting Christmas arrangements. A large green wreath with all kinds of fruits was hung at the front door.

There were 23 members and six visitors present. The visitors were Mrs. Dick Jones, Mrs. Burt Slagle, Mrs. J. L. West, Mrs. W. S. Mendenhall, Mrs. W. T. Walker, and Mrs. W. B. McGuire.

During the business session, it was decided to sponsor another

home decorating contest and all homes in Franklin are invited to participate. There will be no material prizes, but the first three winners will get recognition in the paper and, if possible, pictures will be made of the winning homes.

The club will also erect a Madonna scene on Rankin Square.

Mrs. E. S. Purdom gave a demonstration on Christmas ideas. She showed two Christmas trees which she had made from tiny green hemlock cones and a little jeweled tree made of sequins. She also showed 12 or 15 lovely stars, angels, bells, and other items she had made from tin cans.
