Plan Christmas Bazaar
A Christmas program given by the Cullasaja 4-H Club provided a very interesting program for the Tuesday night (December 1) meeting of the Cullasaja Community Development Organization.

A discussion was held about a bazaar to be held Saturday, December 12, in the lobby of the Nantabala Power and Light Company, beginning at 9 a.m. Members of the community are asked to donate baked goods, jellies or jams, or gift items to the bazaar. Anyone interested in helping can leave the item at the home of Mrs. Pritchard Russell, Mrs. John Bryson, David Stanfield's store, or Mrs. C. T. Bryson, or take it to the bazaar early Saturday morning. The money made at the bazaar will be used to fix Christ-

mas baskets for shut-ins.
A committee meeting was set for Sunday afternoon, December 6, at the home of Mrs. C. T. Bryson to discuss fixing Christmas baskets for shut-ins in the community. At the committee meeting, it was decided that the group would meet at Mrs. Bryson's Tuesday night, December 15, and fix the baskets.
Plans were made to erect a community Christmas scene on Saturday, December 5, in Harry Womack's field.
Mrs. Pritchard Russell won the door prize, which she donated to the community building fund.
The 32 persons present enjoyed group singing and refreshments.

School News
Four communities in this sec-

tion—Higdonville, Pine Grove, Cullasaja and Bethel, are planning to organize basketball teams so they can have a tournament during the Christmas holidays. It will be a double elimination contest and will be sponsored by the eighth grade of Cullasaja School. The proceeds will be used to help pay for a trip the class is planning later in the year.
The eighth grade sold the walnuts they picked up one Saturday and got \$21.45 for their efforts. They are saving this money to use for their class trip.
Buses are running once more after Monday's unexpected holiday because of the snow and bad road conditions.

P.T.A. News
Mrs. Myrtle Keener's class presented a program entitled, "Christmas Around the World", at Tuesday night's P.T.A. meeting.
Mrs. Grover Schafer appeared before the P.T.A. to ask for a \$25 membership to the N. C. Little Symphony.

Gifts were exchanged by the 12 members present. As a tribute to their home economics agent, Mrs. Florence S. Sherrill, for her leadership through the year, the two CARE packages.

A project for the coming year discussed at the meeting was the staining of barns and outbuildings on each family's property in the
