The following home improvements were reported: Mr. and Mrs. Vernon Bryson have a new deep freezer; Carroll Gregory has painted his filling station; and Jack Womack has completed his car port, gravelled his driveway, and set out shrubbery.

Those volunteering to clean up the picnic grounds this month are Charlie Holland, Pritchard Russell, Roy Stiwinter, and Marion Bryson. The sign "No Dumping Allowed" has been erected at the area by the State Highway Department at the request of the community. The group also asked that a request be made through the newspaper that people refrain from dumping their garbage and trash in the picnic area, and that persons using it dispose of their garbage in the containers provided. The area is maintained by the community for the public and the community keeps it clean with volunteer labor.
