

### OLD M'COY PORCH IS COMING DOWN

That old frame porch off the McCoy Building on Main Street in Franklin is being razed this week. It was built in the early 1900's and in recent years has been the target of criticism from a number of citizens who labeled it an eyesore. Earlier in the year, town addermen ordered the building owner, Crawford McCoy, to have it torn down. (Staff Photo)

**VOLUNTEERS INVITED** —

# **Driver Education Clinic** Slated Every Thursday

Vocational Agriculture Building lators has been remarkably at Franklin High School with instructors Joe Sherrill, local driver education representative, Patrolman Bud Ensley, of Murphy, and License Examiner violators and volunteers, is to Robert Hooper, of Franklin. The prevent traffic accidents,

school is sponsored and financed by the North Carolina Department of Motor Vehicles in tual operation of a motor veconnection with the Point Sys-

He urges all citizens to take advantage of this opportunity to increase their knowledge of safe driving practices. "We feel sure that the subject matter traffic accident taught in this course will help agencies, particularly the traf-

Volunteers are invited to at-tend the clinic. However, only a limited number of volunteers can be accepted at any one time. Interested persons should contact the local License Examiner for further information.

It is not necessary to start with the first session of the Sherrill explained. The subject matter is divided into four units so that students may enter at any session and get full benefit of all the clinic.

Subject matter will include the physics of motor vehicle operation, safe driving practices, and state motor vehicle laws.
Interesting movies will be shown and demonstrations given. It is expected that students will include persons learning to drive, as well as experienced drivers who wish to brush up on the fine points of safe driv-
