

### Jackson Springs

Mr. N. B. Jones, Jr., Circulation Manager of the Fayetteville Observer and Mr. and Mrs. H. S. Jones spent Thanksgiving with their people here.

Mr. McCoy Diling, of Greensboro was at home for Thanksgiving.

Mr. C. A. Poole, cashier of the Bank of Dover was at home for the holiday. Clifton graduated at the University last spring and accepted his present position in June.

Mr. and Mrs. J. T. Ellis had as their guests Thanksgiving day Mr. and Mrs. Capps and baby Helen, Miss Lillian Pleasants, Messers Coffee, Weaver and Simpkins of Aberdeen and Miss Helen Martin of Jacksonville, Fla. and Miss Thelma Ellis of Grover. The two latter are teachers in the local High School.

Among the teachers who went home for the holidays were Prof. John McLeod of Vass, Rt. 1, Miss Thelma Jewell of Garner and Mrs. Julia Cameron and Miss Bessie of Vass.

Miss Annie McFadyen and Patty Marks spent the holidays in Washington City.

Mr. L. C. McCaskell of Hartsville S. C., and Eugene of State College were at home for Thanksgiving.

There is lots of cotton to be picked in this section. Some fields have not been picked. Cheap cotton and the high cost of picking is very discouraging to our farmers, who are behind grading and marketing their tobacco. It is time we would make our supplies at home and not depend upon our supplies after they

go through the middlemen from the other class of farmers who are forced to sell their products at a great loss as we are having to do.

W. L. Holliday is closing out his entire line of goods at a considerably reduced price.

Three deaths occurred near Norman Sunday morning that was a shock to friends. They were Mr. Johnson at Woodley's farm, Mr. Calvin McFadyen, an aged man of direct Scotch descent and a brother of the late Dr. McFadyen of this place, and Mrs. John Paukey who also was at advanced age.

Mrs. Margaret Britt wife of Dr. Dan McIver of near here and daughter of Mr. Daniel Britt of near Eagle Springs died Thursday morning at the age of 38 years. Just two days before an infant child was laid to rest in the new family plot. The funeral services were conducted at the Presbyterian church here on Friday afternoon by Rev. W. L. Wilson a former pastor. The deceased was a member of the Presbyterian church here moving her membership from Bensalem church when she married nearly two years ago. Our sympathy goes out to the bereaved husband and father, brother, sisters and other relatives.

Mrs. Hassel, matron at the Dormitory spent the week end at West End. Miss Vysta Markham who is teaching at High Falls was at home for the holidays.

Mr. Woodford Moss is spending a few days at his home at Grover.

In connection with any talk of price reduction on Buicks the distributors have issued the following bulletin to their dealers:

"We have no intention of changing the list prices established for the season of 1921. but in the event of any unexpected reduction in labor and material affecting the cost, and justifying a reduction of the list prices of Buick cars prior to May 1st, 1921 we will refund through you to every purchaser during that period the amount of such reduction."

"Let us submit that Buick cars have never been priced according to the prices of other manufacturers but have been priced according to their value. The present price is as low as Buick cars can be sold taking into consideration the quality, design, workmanship and cost of labor and material on the present day basis and to give the manufacturer a 'live and let live' profit."

"The manufacturer who has cut his prices does not even guarantee the prices as cut, while we do guarantee our prices now prevailing. Your customer should appreciate this and accept the sure thing instead of gambling on other lines."

"Buick values have never been questioned. You may take for instance the price of the Buick car in any year since the Six was first brought on the market and compare it with the price at that time of those cars which have recently reduced; then take into consideration the improvement in design, material and workmanship which we have made as against the same improvements which other manufacturers have made; then draw comparison of our price today with their price as reduced. And the facts speak for themselves that not only 'When better automobiles are built Buick will build them' but that we have always given and are still giving the public the best dollar for dollar value in automobiles offered in any market regardless of past or present prices."

"We have been fair with the public and have their confidence. We know that you can truly assure every purchaser of a Buick car that he is getting a greater value today in our line at the price at which it is offered than in any other line which he might buy."

"The performance and quality of the Buick car is already sold and you have only to convince your trade what we know you believe, that the car as compared with anything else is today worth far more than the price we are asking for it."

Yours very truly,
