

CAMERON

The Radcliff Chautauqua will be in Cameron September 22, 23, and 24.

The Cameron Community Fair will be held at the Cameron graded school building on Monday, October 10th, which seems to me an inconvenient day. However, that is the date that hit this town and we will do our best or darndest to make it a success. Mrs. J. R. Loving, who has charge of the curio department, earnestly requests that all who have anything in that line bring them to the home of Miss Bettie Riddle, opposite the school building not later than the 8th. Look up in the garret, in the old chests and lumber rooms to see what you can find.
