ABERDEEN STARTS FALL HOUSECLEANING

(By Mildred Harrington)
ABERDEEN, Sept. 7.—Following Mayor Henry Page's proclamation setting aside September 4-9 as clean-up week in Aberdeen, a committee composed of Mrs. H. A. Page, Jr., Miss Lois Barkley and Miss Emily Walker, the efficient Community Service Worker, put on a clean-up parade Monday morning as the initial feature of the week's program.

Some of the more striking characters in the parade were Anti-Dirt, a characteristically fat and spotless negro mammy, impersonated by Dr. R. D. Sanford, and her small boy, Shining Sun, in the person of Billy Bowman. Miss Lois Barkley was an exact duplicate of the energetic lady on the old Dutch Cleanser can. Irvin Pleasants was excellent as the window washer from "Spotless Town" and Lee Cockman was equally as good as a double-header clown in a Before-and-After clean-up costume. Dan McKeithen, representing Page Trust Company, Mr. Macon representing the Home Furnishing Company, and Linwood Pleasants, representing the Express Company, each had a unique advertisement. Keith's Store, the North Carolina Hardware and others sent clever placards. Perhaps the best thing in the parade, however, was the impersonation of the Gold-Dust Twins by Ralph Leach and Jones Macon, Jr. The costumes for this number were designed by Mrs. W. A. Blue.

At eight o'clock Monday evening, men, women and children gathered at the graded school building for an enthusiastic community sing led by Mr. John Park of Raleigh. Special numbers, featuring the smaller children, were presented under the direction of Mrs. Ernest Pleasants.

When a man sits out on the front porch with his shoes off it isn't hard to tell who's boss at his house.

We heard a man say a few days ago that the reason women have better teeth than men is because they're in the open more.

SCHOOL OPENS

The Vass graded school opened last Monday with an enrollment of 178. The combining of the Lakeview high school with this one gives the required number of pupils for an accredited high school. The number of high school pupils enrolled is 52.

CULDEE'S CALIGAN CAMPAIGN BEGINS SEPT. 10th

All arrangements for the Caligan Campaign to be held at Culdee Church have been completed. The pastor, Rev. Matheson, who has been holding meetings during the past two weeks at Cypress church and Morris School House, is looking forward to the Culdee meeting with very keen anticipation.

Mr. J. Bruce Cameron, who has assisted Rev. Matheson in several meetings this summer, will have charge of the singing during the Culdee meetings.

Rev. Caligan's many friends in Moore county are delighted to know that they will have another opportunity to hear him. During June, Rev. Caligan conducted a meeting for the Pinehurst Presbyterian church and his services were attended by thousands of people, many coming from great distances, which shows something of the high esteem in which he is held.

DIED LIKE A MASON

Robert Bruce, an Edinburgh lad who joined the 5th Royal Scots, was awarded the D. C. M. for conspicuous bravery near Krithia, in volunteering to reconnoiter a wood which was held by the enemy while exposed to heavy fire, and bringing back a valuable description of the enemy's position. In the subsequent assault he was wounded and died in a hospital at Alexandria. The military authorities sent home his little Testament, in which was written the following prayer:

"O Lord, teach me how to live. If

The Sunbeam Class of Lakeview Sunday School enjoyed a picnic at Jackson Springs last Saturday afternoon. Most of the girls and boys went swimming. The cows were coming home when the fragments, which did not amount to 12 basketfuls, were gathered up. Everybody started home declaring it had been a glorious picnic in spite of the rain.

DAIRY EXPERT WORKING HERE

Mr. R. L. Haggard of St. Louis, Mo., arrived here a few days ago and will be in this section for some time, making a survey of dairymen and cow owners in this vicinity.

He is a graduate of the Alabama Agricultural College, having made a special study of dairy problems, such as the care of the dairy cow, feeding for maximum milk production, a selection of cows for high production and other fundamental problems. In addition to his college training Mr. Haggard has had much experience in feeding and other lines of dairy work in Wisconsin, Iowa, Missouri, Alabama, Tennessee, Virginia and North Carolina.

While in Lakeview and Vass he expects to call on every cow owner and discuss these problems. His headquarters will be at the Lakeview Store Company, in Lakeview, the local distributors of the famous Checkerboard Chows. This firm has made it possible for people interested in the dairy cow to get the benefit of Mr. Haggard's expert advice and experience.

We used to think that the main idea of a college was to fix it so a fellow wouldn't have to work for a living.

It has been our observation that the man with a wooden leg gets along better than a man with a wooden head.

It be Thy blessed will that I die, I pray Thee that it be as a Scottish gentleman, a worthy Master Mason, and a true British soldier. Strengthen my courage that I may look undaunted in the face of my foes. Wash me, make me pure in the Blood of the Lamb, for Jesus' sake. Amen."

The orderly who waited on him exclaimed, "If I could only hope to die a beautiful death like Bruce! There must be something in it to make a man die like that."—Ex.
