LAW AND ORDER LEAGUE

Mr. Editor:-

On Friday, the sixth instant, at a mass meeting held in Carthage, a County Law and Order League was organized. I was honored with the Presidency of the organization, a responsibility I accepted because of the great need for the organization of the moral, law abiding people of the county that our united efforts may be concentrated on the inculcation of respect for law, and to combat the organized and wilful violations that are surely undermining our civilization.

Plans were formulated for the organization of the county by townname is Laurel Sensation and is just a ships. This will be undertaken at ear old. With his litter sisters he also won the coveted "Breeder's to enlist in the membership of the Herd" which must be a boar and three sows under a year old and bred county.
