**UPPER HOKE ITEMS**

The Mt. Pleasant school opened for the 1922-23 term, Monday, with Miss Morgan, of Raleigh, and Miss Bertha Cameron, of Vass, as teachers. The attendance for the first day was fairly good.  
The farmers are getting on fairly well with cotton picking; some are gathering corn. There is quite a bit of tobacco to be graded yet. It seems that the farmers who joined the co-operative association are a little slow in marketing their tobacco. No doubt this is caused by the small advance they receive on their grades. We think after they begin to get the next advance and understand the situation more fully that they will be better pleased with the system of marketing.  
There will be a fairly good attendance at the Vass Fair from Upper Hoke, Thursday, the weather permitting, and several exhibits will be carried by the Hokeites.  
Among the latest happenings of

the community was the marriage on last Sunday of Mr. Dan R. Smith to Miss Mamie Page, of Vass Route 2. And we understand that others are to be solemnized soon.

We understand that Mr. E. G. Baker of Route 2 has sold his large timber interests to a milling company from near Sanford. It is also reported that Mr. C. H. Morris anticipates going in the mill business in the near future.

Mr. D. E. Smith and family of Mississippi, who visited Mr. Smith's mother, Mrs. H. A. Smith of route 2 for a couple of weeks, returned to their home last week.

The Lobelia school is progressing nicely under the management of Miss Margie Campbell of Raeford; as teacher, Mr. D. W. McFadyen has his hands full with the school teachers of Mt. Pleasant and Lobelia—as usual Wat is quite a sport with teachers, anyway.

It seems that our good road movement is on a drag. Why don't we get busy and get our road started from Vass to Overhills; no better development could take place for the general public and no section needs a road worse. So let's all get together and start the ball to rolling. Who will give it the first shove ahead?
