The Opportunity at KNOLLWOOD VILLAGE

KNOLLWOOD VILLAGE

is a design worked out by the most capable engineers and landscape architects in the country.

Its Golf facilities were planned with the same skill and care.

Its financial status is in the hands of men of means and broad business experience.

Its prospect may be judged by an experience that has just been noted at Pinehurst. A few days ago a lot of about an acre of ground was sold at Pinehurst for \$11,000. James W. Tufts, when he bought the 5,000 acres that constituted Pinehurst, paid the Pages less than half of what the single acre sold for last week.

A dollar an acre something over 25 years ago. Eleven thousand dollars for one of those acres now!
