At the Baptist church April 27—Sabbath School at 9:45 a. m.; preaching by Rev. Brewster Boardman at 11 a. m. Prayer meeting on Thursday evening at 7 p. m.

Rev. Leon E. Wheeler left for the home of his son at Mont Clair, N. J., on Wednesday last.

Rev. Brewster Boardman, who has been acting as ministerial supply for the past nine years, east, west, north, and south, stopped off on his way up from Florida to visit a former parishioner, Miss M. A. Payne, and supply the Baptist pulpit for Dr. Wheeler for three Sabbaths. Rev. Boardman was a class-mate of Rev. David E. Post, who spent two winters in Pine Bluff, and succeeded Rev. S. A. Ives as pastor of the Baptist church for a few months three years ago. He was also a college chum and special friend of Rev. Wheeler, and succeeded Rev. S. A. Ives in at least one of his northern charges. Rev. Boardman preached a very able and acceptable sermon on Easter Sabbath, and many expressed a desire to give him a call to preach for the Baptist people another season.

Easter coming so late this year when so many flowers were in bloom enabled the churches to decorate abundantly for the joyous occasion.

Mr. and Mrs. Aubry Pruett arrived at the home of Mrs. Pruett's mother, Mrs. Sadie Fiddner, last Saturday evening, after having spent two weeks on their wedding trip to visit Mr. Pruett's mother at Winter Garden, Florida. They visited many places of interest, including Palm Beach, and are elaborate in their praise of the beautiful scenery and many attractions of Florida.

Mrs. Luther McDonald and daughter, Thelma, and her mother, Mrs. Sadie Fiddner, visited at the home of the Misses Maggie and Sadie Graham, of Mont Rose, Easter Monday. Mr. McDonald lived several years in Pinebluff prior to the World War.

Mr. and Mrs. R. R. Crawford, of Winston-Salem, who have spent the winter in the Blue Bird, have rented the Green Bables of Miss Florence Fowl and moved in last week where they can enjoy the abundant shady porches and grounds, and have room to entertain their guests and old friends which they expect to visit them during the summer.

Mr. and Mrs. Stanly Smith gave a party at the Inn in honor of the Mr. Holbrooks and guests which they are entertaining during the Easter season.

Mrs. R. A. Barrett gave a birthday party in honor of Mr. R. A. and son Robert's birthdays, which occurred so close together that one party covered both occasions.

Mr. and Mrs. Pointer and four children, and Mr. and Mrs. Edward G. Adams and children were dinner guests and Mr. and Mrs. Frank Lucas, of Pinehurst, spent the evening with their old friends, the Barretts. Mr. Barrett is a little shy about the number of his birthdays which are behind him, but said he was the father of five lusty children, and that in August next he and Mrs. Barrett will be married 20 years. Health and happiness and many returns of the joyous occasion is the wish of his many friends.

Mr. C. T. Pullen, Mr. R. A. Barrett, and Mr. and Mrs. E. G. Mallory attended the field day exercises of the public schools of Moore county at Carthage one day last week.

Mrs. Abbie Guild was given a birthday party by her sons one day last week. Her many friends gave her many beautiful and useful presents. Her sons are very kind to their faithful mother, and her friends wish her many returns of the happy occasion.

An Easter picnic was held in McCleod's Grove by the following parties: Mr. and Mrs. Leonard and son, Mr. and Mrs. John C. Adams and children, Mr. and Mrs. Ralph Millet and son, Jean, Mrs. Dickson and children, Mr. and Mrs. G. E. Mallory, Miss Alma Adcox and Mr. Homer Gibson.

Mr. and Mrs. Jessie Newell visited old friends in Pinehurst Easter Sunday and Monday.

Miss Beatreas Newell spent the week-end visiting her uncle, Mr. Talmage Shaw, and several other old friends in Pinehurst. Miss Newell attended the exercises at the churches

Capt. T. A. White and wife spent their Easter at the home of their son, John White at his home in Southern Pines, who came for them in his auto and brought them home again at night.

Many tourists' picnics and excursions are in order these beautiful sunshine days and many are going north. Only a few remains to enjoy the wonderful beauty of the Sandhills in their spring glory. The most of our tourists visit this section when clothed in its most somber garb. Our Pine Bluff station, so our agent Mr. Carpenter reports, has done a good business during the past season, but will close for the tourist season April 30. All who have any business transactions to finish will be expected to settle them prior to that date.

CARROTS PROMOTE HEALTH

Nothing is better for the health than the use in soups and on the table of carrots pulled fresh from the home garden. Some people go so far as to claim that if plenty of carrots are eaten it improves the beauty; but, so far the other extension workers of the State College have been unable to detect any radical change in the general appearance of R. F. Payne, who gives this information.

"Carrots do best in a well drained, sandy soil that contains plenty of plant food and moisture," says Mr. Payne. "They require a liberal amount of potash, and a fertilizer analyzing about six per cent phosphoric acid, four per cent nitrogen, and ten and twenty-five per cent potash applied at the rate of 1,000 to 1,200 pounds per acre will give good results. Rotten stable manure will give excellent results, but fresh manure should never be used.

"The seed should be planted one-half inch deep in rows fifteen to eighteen inches apart for hand, and 24 to 30 inches apart for horse cultivation. Later the plants should be thinned two to four inches apart in the row. This is a cool season crop and the seed should be sown early in the spring or late in summer. Radishes are often sown with carrots to mark the rows as carrots germinate very slowly. Some of the leading varieties are Chantenay, Danver's Half Long, and Early Scarlet Horn."

WHY FAMILY EXPENSES ARE LIKE AUTOMOBILES

Money in the home takes the place of "gas" in the car. It furnishes the motive power. The pace you travel depends on the amount you "feed" the engine!

It needs a steady hand at the wheel, a sure foot on the gas and brake, in the home just as in the car. In fast spending, as in speeding, there is danger.

The cars that give the best service are those that are driven carefully at moderate speed.

The family that gets along best is the one that saves consistently, spends wisely, steers carefully to reach the goal of better conditions.
