

## PINEHURST

After a most successful year the Pinehurst Public School closes with the commencement exercises, which will be held at the school auditorium on May 5th, 6th, and 7th. Each evening's program will be one of distinctive merit, showing the very excellent class of work that has been done, both by the teachers and the pupils, and the efforts that have been made to make the standard of efficiency second to none which is carried on in this public school in Pinehurst.

On Monday evening, May 5th, at 8 o'clock, Miss Beverly will give her first public recital, with the members of her music class. Miss Beverly is a musician of unusual ability, and has been able to accomplish a great deal with her large music class during the past eight months. She teaches piano, violin, and voice culture; her

recital will be very varied in character, showing the real ability of the teacher as well as the great progress of the students. This recital will be given at the school auditorium.

On Tuesday afternoon, May 6th, at 2:30, on the school athletic field, there will be a baseball game of unusual interest, which is more than local in its scope. The Pinehurst public school team will meet the Jackson Springs team. These two teams are intense rivals in base ball, as well as basket ball during the winter months just passed, and Pinehurst is very proud of the fact that it is seldom that her baseball as well as foot ball teams know defeat.

On the evening of the 6th, in the school auditorium, will be given an operetta by the grammar school grades. This will also be stunt night by the boys of the literary society. The title of the operetta is Mid-Summer Eve.

Kate Matthews won an Easter basket full of pink and green candy eggs for guessing all the birds in the second contest.

The hostesses, assisted by Misses Lucile Loving and Lula Rogers, served delicious pink and green cream with pink and white cakes. After some guitar selections by Mr. J. F. Sanders and some informal singing the merry party broke up.

Members of the 8th and 9th grades accompanied the base ball team to Southern Pines Tuesday afternoon. Their presence evidently inspired the team, for they won the game 19 to 3, continually rolling up the score until the game was called off at the end of the sixth inning on account of the late hour. The whole party enjoyed a picnic supper at Lakeview on the way home. We are also glad to report that the team defeated Farm Life 11 to 3 Monday afternoon on the home court.

On Wednesday afternoon Miss Aldridge delightfully entertained the 5th grade with a picnic. Many games and contests were enjoyed, after which a delicious lunch was spread under a large hickory tree, following a course of strawberry ice cream and cake. Those who enjoyed the feast were:— Jessie McFayden, Ruth and Myrtle Marion, Annie Mae Gilchrist, Carrie Martin, Jocie Simpson, Tresa Badgett, Sarah Spivey, Jetty Key, Joe Irvin, Floyd Hancock, Charlie Elliot, Lawrence Badgett, Everett Blakley, Edward Jones, Woodroe Basley and Bernice Phillips.

A curb market has been established in Sanford. About twenty-five farmers and their wives met with the business men and ladies of the town and planned for the market. Saturday of each week will be market day.
