A SAVINGS ACCOUNT WILL DO IT.

It will take only one dollar to open a savings account with this bank. We will begin paying interest on that amount and then you can add to the principal as fast as you are able. If you should pay in more than you can spare and later need some of it you can withdraw from the principal. There is no red tape to our method of conducting our Savings Department. You make the deposits and we compound the interest every three months.

Begin now to lay aside a certain sum every month. Later increase the amount. Keep it up for twenty years and then if you want a rest you can take a vacation and pay the expenses with the interest on your savings. Or if you see an exceptional opportunity for an investment you will have the money at your disposal to use it. Come in and let us explain more fully the advantages of our savings accounts, and you will be under no obligation to us whatever.

Porch Furniture

AT THE

Pinehurst Warehouses

PINEHURST, N. C.

Nobody seems to question but that the Old Hickory Porch and Living Room Furniture holds the first rank in its class.

It is made in all types, from the simplest to the most highly refined patterns, with prices running entirely according to the kinds of goods. We are moving this seasonable furniture in quantities now, both because it is seasonable, and because it is the best thing of its kind made anywhere as far as we can discover.

County Moore Mills

Bed Spreads, Draperies, Sheets and Blankets

From the Rayon Mills at Hemp, in the upper part of the county, comes a line of woven goods in the form of Bed Spreads, Draperies, Etc., that is unique in its way. These textiles are woven from Rayon, Cotton, or both, in patterns that compel immediate admiration, and we sell them all over the country. We have shipped orders to as many as five different states in one day. Here is an artistic novelty, which is at the same time a staple article of household equipment, and at prices astonishingly low.

Leave Your Order for Summer Supplies

Now while spring is here and you are figuring on summer building, summer overhauling of your house, or other summer plans, is a good time to order your furniture and furnishings to be delivered as you want them, that they may be ready when you are.

We undertake to supply you anything in Furniture, and solicit your business.
