

TWO JUNE SPECIALS AT THE CAROLINA THEATRE.

What could be more appropriate for June than a real jazzy college comedy and a romantic comedy?

The next two pictures at the Carolina are just these. On Saturday night James Hall, Louise Brooks, Richard Arlen and Nancy Phillips, Paramount Junior stars, are appearing in a picture full of vim, vigor, pep and "it!"

And "Rolled Stockings" is it. If ever a picture what Elinor Glyn aptly characterizes as "It," "Rolled Stockings" is it!

It is a tale of college life. It takes place for the most part in and around the college campus. The pep, enthusiasm and life usually connected with collegians is there. An exciting boat race provides a big kick at the finish. Pretty co-eds and handsome under-grads run riot throughout the story. Here is a peppy cast

of youngsters in a zippy story. Girls and boys will love it, while their fathers and mothers will get a kick out of it. Seeing is believing; don't miss "Rolled Stockings."

On Tuesday night, Raymond Griffith, the high hat comedy king, supported by a big cast, including William Powell, Vera Voronina, Josef Swickard and Mario Carillo, will appear in "Time to Love," a French farce that lifts to broad hilarious thrills at the climax. "Time to Love" ranges pure romance, through light comedy, burlesque, farce and slapstick, to an intensely hilarious laugh thrill climax. Yet it keeps Griffith always in character as the young Frenchman in pursuit of the girl he loves.

"Time to Love" is also important in that Vera Voronina, new Russian screen discovery, plays her first leading role. Mis Voronina made a personal hit in her first screen appearance in "The Whirlwind of Youth,"

and the many who admired her then will be glad to see her again.

STATE TAKES OVER THE PINEHURST ROAD.

It is expected that within a few days the State Highway officials will take the road from Pinehurst to Southern Pines and relieve the county of the work of maintenance between the two towns. Engineers will probably be on the ground soon to look over the route with the intention of preparing for the hard top that will soon be laid. The next information that will be forthcoming will follow the report of the engineers.

CARD OF THANKS.

We wish to thank our friends and neighbors, one and all, for their many acts of kindness during the sickness and death of our dear little baby. Andrew McFadyen and Family.

PINEHURST LUMBER YARDS

If you have noticed the fine big dimension stuff in the Pine Needles Hotel it may be interesting to know that it came from the Pinehurst Lumber Yards.

Where Big Stuff is called for it nearly all comes from Pinehurst. When 2 by 12 over 20 feet long is desired the call comes to Pinehurst. When big beams in long leaf are needed Pinehurst usually gets the order. When that high quality in big material is sought Pinehurst supplies the stuff.

Look at that Pine Needles material, and remember it came from

For Summer Work in the Kitchen Use a Perfection Oil Stove

In these days it is useless to keep the kitchen heated all day with a wood stove, when a few minutes or an hour or two with an oil stove will give you just the heat you need. and just where you need it. which is directly under the pan or kettle.

No fire under the lids you do not need. No fire to cool down when you are done. Simply turn off the oil and the fire is out.

Clean, cheap, efficient, quick in action, and the biggest addition to the kitchen in years.

For a cool summer get a few of those Clearflax Linen Rugs. Moth proof. durable. attractive.

Linoleum for permanent floor coverings. This type of goods has become standard in all modern homes.

Lawn Chairs, Camp Chairs, Out of Door Furniture. Inexpensive and remarkably comfortable.
