

MEN'S CLUB HAVE DINNER AT PINEHURST.

The Men Teachers' Club of Moore County, known as the K. H. R. Club, held a most delightful meeting at the high school building in Pinehurst Thursday evening, October 6, at 7:30 o'clock with 17 principals, coaches and teachers present.

W. P. Morton, of Pinehurst, was elected president, R. G. Hutcheson, of Farm Life School, secretary, and O. B. Welch, of Carthage, vice president.

Dinner was served by the Home Economics Teacher, Miss Edith Fletcher and a group of her cooking girls. While this club was organized in order that the men might come together in a dinner and enjoy the fine fellowship, yet their coming together furnishes a fine opportunity for the discussion of some of the

school problems in Moore County, and naturally some of these problems will be discussed from time to time. At the next meeting the athletic program of Moore County will probably be taken up.

The invitation from Supt. O. B. Welch, of Carthage, to meet with him for the November meeting was unanimously accepted. The following were present at the meeting: Supt. A. B. Cameron, of Carthage R. G. Hutcheson and J. P. Kiser, of Farm Life School; J. Frank Sinclair and Floyd Gooch, of West End; W. P. Morton and P. H. Stephenson, of Pinehurst; E. A. West and W. Stuart Evans, of Elise High School; O. B. Welch and F. Y. Blanton, of Carthage; John McCrummen and F. M. Dwight, of Vass; Francis E. Gibbons and W. F. Allen, of Southern Pines, and A. S. Ballard, of Aberdeen.

FIVE RING CIRCUS POSITIVELY COMING.

Yep, youngsters, it's really true! Meaning that a rumor heard some

time ago is now confirmed by the official announcement that the Ringling Bros. and Barnum & Bailey combined showes will positively exhibit at Raleigh Thursday, October 20.

At that time the world's first and only five-ring circus will be within easy reach of local sawdust fans. With it will come the only genuine white elephant ever brought to America. He is "Pawah," the world-famed sacred white pachyderm from Burma, who will be the foremost feature of a menagerie composed of more than a thousand animals.

The big show is now a third larger than it was when it last visited this locality. Enormous new displays have been introduced such as 90 zebras, camels and horses performing at one time on a mammoth pedestal. On a similar series of circular raised platforms 32 of the show's 43 elephants dance, run and perform in unison with the topmost of the ponderous actors 20 feet above the ground.

Of the sixteen hundred people carried on tour this season more than 800 are the world's foremost aerialists, bareback riders, ground and lofty gymnasts, high-wire artists and super athletes. These are now seen in extensive groups and troupes each display led its particular champions, a new method of presentation that is in keeping with the Ringling Bros. and Barrum & Bailey 1927 plan of extending acts in equal number over the entire length of the mammoth main tent.

The outlook for the cotton is a little gloomy as the heavy rains are causing some of the cotton, where it has grown large, to rot.

J. L. Rice was on the market with ten bales last week. This was last year's cotton, and the price was worth waiting for, realizing 22 cents.

We are glad to see the great improvement that has been made on Ephesus church, also the surrounding grove has been improved. We hope to have an interesting meeting which will begin on third Sunday.
