Among the supplies coming in any day is
One Car of the Famous Lockhart's Flooring.
One Car of Celotex.
One Car of Ceiling.

The Lockhart Flooring is probably without an equal in planing mill production. It is made of genuine heart pine, matched, squared, bundled, and it fits.

The quality is not equalled by anything we can get, and we have never a kick from any buyer who uses it. Longleaf solely.

This car of a rift now arriving was bought at a price that is lower than current quotations, and we can save you much money on flooring just now.

Remember the advantages of this Lockhart Longleaf.

Lowest Price. It fits. Workmanship is as high as its quality and its quality is the highest in the market.

It makes a tight floor and a durable one.
