A color scheme of green and white was carried out very effectively. The hostess served delicious fruit salad, chicken salad sandwiches and lemonade. Dainty favors of white wedding bells were used on each plate.

#### RECEPTION TO FACULTY OF VASS-LAKEVIEW SCHOOL.

On Friday evening, eight-thirty to eleven o'clock, the Woman's Club was at home to the Vass-Lakeview school faculty and invited guests. Receiving at the door were Mrs. D. A. Mc-Lauchlin, President of the Woman's Club, and the members of the faculty. Throughout the evening punch was served by Mrs. H. A. Borst and Mrs. A. M. Cameron.

An acquaintance game, whereby the names of all "new" folks were learned was the interesting scheme brought forward first. Miss Vera Newton and Mr. Reed Aumon were captains of ball teams, with Miss Newton's team winning. Much fun was provoked when a goodly number took part in a potato relay, with one group winning by a narrow margin.

other of the mothers of the kennel. She is a daughter of Sunnybank Sigurdson, pronounced by the best authorities as the greatest collie in America today. Another young one that will come down from New Jersey is a winner of the blue ribbons at the Tuxedo show last year in the novice class. Colonel Hawes looks for a crop of puppies along in November or sooner, and he hopes to make the Pinehurst Sunnybank Kennels as popular and famous in due time as the Pinehurst Ayrshire herds and the Pinehurst Berkshire establishment, both of which stand among the great herds of the world. And it is a foregone conclusion that Sunnybank will be a center of wide attraction, for every time a new story from Albert Payson Terhune appears in the magazines folks will want to look at the dogs that are the heroes or related to them. The road to Sunnybank will be a well-traveled path.
