

Von Stroheim, Dix and Ruth Elder Coming

"Wedding March" and "Moran of the Marines" on Carolina Program.

Erich Von Stroheim, who has given to the screen such notable achievements as "Merry-Go-Round," and "Foolish Wives," now offers to the public one of the most powerful and fascinating pictures of the current season, "The Wedding March," a Paramount presentation, in which Von Stroheim plays the triple role of star, author and director. Naturally, the individual touch of Van Stroheim is apparent throughout every moment of the picture. There are his typical scenes of elaborate pomp and splendor, such as the celebration in Vienna of Corpus Christi, translated on the screen with full color effects. There are delightful moments of whimsical and tender loveliness when Nicki and Mitzi pledge their undying love beneath heavily laden branches of apple blossoms. This picture has been two years in the making, at a staggering cost and it is said that enough footage has been cut from the original negative to make a sequel to "The Wedding March."

The picture will be seen in Pinehurst and Southern Pines Friday and Saturday at regular prices. It is suggested that patrons make an effort to be in the theatre not later than 8:20 as the feature is in twelve reels, which necessitates the shortening of the preliminary program.

On Monday and Tuesday, the Sandhills will welcome its favorite male star, Richard Dix, in his best role to date, that of Moran in "Moran of the Marines," in which he is ably supported by the famous aviatrix, Ruth Elder, the first woman to attempt the crossing of the Atlantic. As an added attraction, "Our Gang" will be seen in "The Old Gray Hoss."

UNCLE HENDERSON HOST TO VASS SCHOOL FACULTY.

Uncle Henderson, the faithful janitor, and his wife, Aunt Fannie, delightfully entertained with cake and lemonade the faculty of the Vass-Lakeview public school last Thursday afternoon in the school library. Aunt Fannie was not able to be present so at the request of Uncle Henderson Miss Alberta Monroe acted as hostess. She received and directed each one of the teachers to one of the li-

brary tables on which was spread the cake. After the teachers had gathered about the table Miss Monroe appointed Miss Reed to serve the lemonade, and this Miss Reed did very well, indeed. Then the feast was on! After each one had been sufficiently filled there was a question as to the one who had won the prize (the name of which is not to be mentioned here.) The individual scores—that is, the number of glasses of lemonade and pieces of cake consumed by each, were given and it was found that Mr. McCrummen and Mr. Aumon were tied for the manly honor with the score of 7-5 (seven glasses of lemonade with five pieces of cake), while for the "other" honor Miss Sugg, Miss McLean and Miss Newton had to share it equally. Their score will not be mentioned. Miss Yarborough became over-anxious and as a result she was strangled with lemonade. Had it not been for this she would have surely won the prize because she made a wonderful start and was going nicely until the mis-hap.

The teachers thoroughly enjoyed the feed. If Uncle Henderson serves the school as well as he did the teachers last Thursday afternoon there will never be any dirty floors or cold rooms in the building. He has served faithfully for years, and even now, with the weight of many years upon his shoulders, he is a janitor that any school might be proud of, because he is faithful, punctual, and dependable and is liked by all who know him.
