## COURAGE and CON

DO YOU WANT a man who has the **COURAGE** of his convictions?

DO YOU WANT a man who is **NOT AFRAID** to talk to the people?

DO YOU WANT a man of 26 years of **PRACTICAL** and **UNBLEMISHED** political experience?

DO YOU WANT a man who for eight years has governed brilliantly, honestly and progressively 10 **MIL-LION** people?

DO YOU WANT a man who, during this campaign, has kept to the issues, despite every sort of absurd and unfair attack made upon him and his party?

DO YOU WANT a man who has a constructive platform for **FARM RELIEF**? Ask **SENATOR NORRIS**, he knows. For **WATER POWER CONTROL**? Ask **SENATOR BORAH**, he knows and has said so recently, even if he is still uneasily campaigning for Hoover. For a real enforcement of **PROHIBITION** until such time as a more scientific law can be drawn? Read what **THOMAS JEFFERSON** had to say on this subject, **THEODORE ROOSEVELT**, **WOODROW WILSON**, Chief Justice **TAFT**.
