

To Present Fuller in Violin Recital

Civic Club and Music Association of Southern Pines Join For Saturday Program

Tomorrow night, Saturday, the Civic Club will join with the Southern Pines Music Association in presenting George Fuller in a violin recital. There will be neither admission nor collection as Mr. Fuller is under Government patronage. The Civic Club is host for the evening, and the Music Association is introducing George Fuller as a musician well worth hearing. A cordial invitation to all is extended.

On Friday night, April 3rd, the Civic Club will entertain the High School students at a dancing party. The chaperones will be the committee making arrangements, which includes Mrs. Potts, club chairman of hospitality, Miss Campbell, Mrs. Spaeth, Mrs. Pethick, Mrs. Maxwell Grey and Mrs. Hutt.

All members and friends of the Civic Club are asked to mark the dates, April 7th to 9th, for the State meeting of the Federation of Women's Club in High Point. Mrs. Paul Pelton, Miss Cook and Mrs. W. N. Hutt will be the delegates from this club.

The Cafeteria Committee wishes to thank the public for generous patronage last Wednesday. Also on Wednesday past, the Civic Club was the scene of a dancing party given by the men of Company 1199, C. C. C., with Milton Peck as chairman of arrangements.

Mrs. William E. McCord's name was omitted from the list of the seven club directors. In the fall there is hope of opening a reading room and lounge in the club, and suitable articles of furnishings for such a purpose will be most gratefully accepted.

ST. ANTHONY'S ACQUIRES LAND NEAR CHURCH

A sale of interest to the community was executed by John Ilsey, of the Newburyport, Mass., Bank & Trust Co., trustees for the will of the late J. C. Stanley, assisted by D. G. Stutz, F. H. Wilson and P. P. Pelton, auxiliary executors, transferring the lot located on the northwest corner of Ashe street and Connecticut avenue, Southern Pines, and immediately in the rear of St. Anthony's Church, to that parish, also transferring to H. A. Lewis the property on the corner of Bennett street and Connecticut avenue, long known as The Essex. Mr. Lewis will continue extensive repairs and alterations already inaugurated to bring this extensive property into its former excellent condition.

COUPLE ARRESTED WITH 36 GALLONS IN CAR

Curtis Cook of Hoke county, and Louise Hinson of the Cabbage Hill section of Aberdeen, both white, were arrested in Aberdeen about 9:00 o'clock last Friday night, when their car emerged from the colored Berkeley settlement with 36 gallons of liquor aboard in Aberdeen. They had been under suspicion for some time and their arrest is a source of much satisfaction to the authorities of Aberdeen. Officers A. F. Dees, K. G. Deaton and A. W. Lambert made the arrest. COUNTY TAX COLLECTOR RECOVERED FROM INJURIES

Friends of Tax Collector W. T. Huntley will be glad to know that he was able to return to his office in the court house on Monday after having been out for several days on account of injuries sustained in an automobile accident. Mrs. Huntley, who was more seriously injured than her husband, is still in Charlotte, but she is thought to be making satisfactory progress toward recovery.

for EXPECTANT MOTHERS

When your baby comes you will need Mennen Antiseptic Oil for him; so get it now and start using it on yourself. Rub it into the skin of your abdomen or wherever the skin is tight or dry from swelling. Notice how tautness, dryness disappear. Then after baby arrives, give him a daily body rub with Mennen Oil. It's antiseptic—will protect him against germs. See your druggist—today.

The only complete low-priced car

Chevrolet's high-compression valve-in-head engine gives economy without equal!

FOR ECONOMICAL CHEVROLET TRADE-IN VALUE

Every test proves it's more economical . . . Every Chevrolet owner knows it's more economical . . . And every person will readily understand these simple A-B-C reasons why it is more economical

The Chevrolet engine is the most economical automobile engine produced today, because (1) it is a six-cylinder engine, and (2) it is a valve-in-head six-cylinder engine. . . Its six cylinders use less gas and oil—because the least gas and oil—because six cylinders are the most economical combination used in modern automobiles. . . Its valve-in-head design cuts gas consumption still lower because there is less loss of heat through the walls of the combustion chamber in valve-in-head engines. . . The advanced construction of the Chevrolet engine gives maximum heat (or power) saving. . . Most important of all, Chevrolet's more efficient cooling system, pressure stream oiling and the greater accessibility of all working parts result in more dependable operation, over a longer period of time, with the lowest maintenance costs.
