Poole, tuading as Model Laundry, versus Pinehurst, Inc., on August 7th, asking judgment for damages sustained by reason of the alleged purchase of a boiler for use in the laundry which was represented as being in good condition and which was condemned by State authorities as unfit for use before Mr. Poole had used it any.

He asks judgment of \$200 paid for the boiler and for the return of a \$200 note and for damages in the sum of \$300 by reason of the representations of the defendant to the plaintiff.
