HELP KIDNEYS  
To Get Rid of Acid and Poisonous Waste  
Your kidneys help to keep you well by constantly filtering waste matter from the blood. If your kidneys get functionally disordered and fail to remove excess impurities, there may be poisoning of the whole system and body-wide distress.  
Burning, scanty or too frequent urination may be a warning of some kidney or bladder disturbance.  
You may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel weak, nervous, all played out.  
In such cases it is better to rely on a medicine that has won country-wide acclaim than on something less favorably known. Use Doan's Pills. A multitude of grateful people recommend Doan's. Ask your neighbor!  
DOAN'S PILLS

Don't Neglect Your Child's Cold  
Common colds often settle in throat and chest; at the first sniffle rub on Children's Musterole.  
Children's Mustersole is just good old Mustersole, only in milder form. It penetrates with a warming tingle and gets such marvelous results because it's NOT just a salve, but a "counter-irritant"—helpful in drawing out local congestion.  
Mustersole has been used for 30 years. Recommended by many doctors and nurses. All druggists. In three strengths: Regular Strength, Children's (mild), and Extra Strong.
