

Youth Administration To Aid 48 in County

Allotment of 28 White and 20 Colored Is Based on School Population

Moore county's National Youth Administration student allotment for 1938-1939 is 28 for the white schools and 20 for the colored, according to information received by the County Superintendent. The allotment is based on the school population with the rural and special districts included.

Several requirements must be met in the selection of students for NYA work. Each approved applicant must be between the ages of 16 and 25 and so needy that he or she cannot without aid secure necessary school supplies and accessories. Students receiving aid shall be of good character and shall possess such ability that they can give assurance of performing good scholastic work while receiving aid. Aid to high school or elementary school students who fail to maintain a satisfactory standing in at least three-fourths of the work carried shall be discontinued. All students aided must be regularly enrolled students and must carry at least three-fourths of a normal load of work in the school.

Suggested types of student work include clerical, construction departmental service, ground and building maintenance, research and survey, laboratory assistance, and miscellaneous activities. No NYA student may work more than three hours on any one school day, and the weekly limit is 20 hours. Hourly wages will be in keeping with local prevailing rates.

ED CAN'T EVEN GET AWAY WITH STEALING CIGARETTES

To market, to market, to sell a fine smoke;

Back to the jail again, financially "broke."

Ed Marley hasn't had much time for Mother Goose rhymes; he's been too busy paying his debts to the county and now, after little more than a week's freedom, he's back in the clutches of the law before he had time even to dispose of his haul of cigarettes.

Wallace Brothers store in Carthage was broken into some time during Sunday night, the thief entering by way of the transom above the rear door. Several cartons of cigarettes were stolen, and the money drawers were ransacked with results disappointing to the intruder.

Monday, as Deputy Sheriff Herman H. Grimm was driving along near the airport, he overtook Ed Marley, carrying a quantity of cigarettes. Ed, when questioned by the officer, admitted the theft, it is said.

M. C. McDonald's store in West End was entered the same night and goods to the value of around \$100 were stolen, but no arrests have been made in this case. The thief gained entrance by smashing a hole in the plate glass front.

IN RECORDER'S COURT

Charlie Hooker, colored, of Cameron, charged with an assault with a deadly weapon as a result of a fight in which Ferman Blue was painfully slashed, was in Recorder's Court Monday given six months on the roads. He gave notice of appeal to the Supreme Court and bond was fixed at \$500.

Murd Morrison, white, of Carthage, chose to pay the costs and one-half of A. E. Rosser's doctor bill rather than to serve the 30 days imposed for engaging in an affray.

George (Bubbles) Short, colored, of Pinehurst, was found guilty of the unlawful possession for sale of a quantity of blockade liquor. He was sentenced to serve three months on the roads and the Sheriff was ordered to destroy the one-half gallon of liquor.

TO BEAUTIFY CEMETERIES THROUGHOUT MOORE COUNTY

Announcement was made Tuesday by Mrs. Lessie Brown of a county-wide cemetery beautification project which has recently been approved by the WPA. The work will be carried on in much the same manner in which the school beautification project was carried out, workers going from place to place. Local help that is certified in the WPA will be used in as many communities as possible.

The work will continue through the winter and Mrs. Brown will notify superintendents of Sunday Schools as to the time when their cemeteries will be reached. Each community is asked to assist by lending tools to be used in its own cemeteries. Donations of shrubbery and flowers for planting will be gladly received as one of the special objectives is the beautifying of the entrance to the cemeteries. Work on this project will start in the near future.

Your Library

Second of Series of Five Articles on Purposes and Functions of Institution

By Katherine Martin, Librarian

Since the Southern Pines Library is a subscription library, the book committee has to buy those books which its members want. However, any one can join the library so there is no reason why you will not be able to find the book you want.

There are four types of memberships in the library. Each expires a year from the date it is taken out. The Contributing membership is \$25.00, the Patron membership is \$10.00, the Sustaining membership is \$5.00, and the Annual membership is \$1.00. There are no fees attached to the first three, but when a person has an Annual membership there is a fee of ten cents for all new books (those bought within the last four months) and five cents for all others. These fees cover the period for which the book is taken out—one week for new books, two weeks for others, and are paid when the book is loaned.

All members are fined two cents for each day the book is overdue, except for those bought within the last four months. For these the overdue fine is five cents per day.

Each person who joins the library is given a membership card. He brings this card with him when he wishes to take out a book.

The library hours are from 9:00 to 12:00 and from 1:30 to 5:00 every week day except Saturday, and the library will be open every Wednesday night from 7:00 to 10:00 p. m. We are disappointed that so few people are using the library in the afternoons and on Wednesday evenings, and we hope to see this situation improve as time goes on.

There are now approximately 11,400 books in the library. As soon as arrangements can be made, these will be reclassified according to the following Dewey Decimal classification: 000—General Works; 100—Philosophy; 200—Religion; 300—Sociology; 400—Philology; 500—Natural Science; 600—Useful Arts; 700—Fine Arts; 800—Literature; 900—History.

Then the books will be placed on
