### Bank Wins Verdict Against M. H. Turner

#### Largest Civil Action Trial in County Since Davidson Will Case

In the largest civil case tried in Moore county since the Davidson will case several years ago, the Meriden National Bank was awarded judgment against M. H. Turner and wife of Southern Pines in the amount of \$6,532.58 and interest from March 22, 1936. The bank was asking for this amount and in a counter-suit, the Turners were seeking to recover approximately \$133,000 from the bank.

Ex-governor J. C. B. Ehringhaus, Johnson and McCluer were counsel for the defendants and Seawell and Seawell appeared for the plaintiff.

According to the complaint, M. H. Turner executed to the Meriden National Bank on July 1, 1933, two notes aggregating \$12,246.00, secured by a deed of trust on property in Southern Pines. The bank was suing for the amount which it claimed was still unpaid on these notes.

The Turners claimed that at the time the two notes were given by Turner, bearing Mrs. Turner's endorsement, Mrs. Turner was indebted to the Bank; and that to secure her indebtedness, she deposited with the plaintiff large amounts of collateral security consisting of stocks and bonds; that when the indebtedness became due, Mrs. Turner authorized the plaintiff to sell said security at the best market price obtainable after due diligence had been exercised and apply the proceeds first to her own indebtedness and the remainder to the payments of the notes due by her husband. The Turners claimed that if this had been done, there would have been sufficient funds to have overpaid the obligations, but that bonds were sold, over their protest, for much less than their worth.

The jury found that the defendants were indebted to the plaintiff in the amount of \$6,532.58, with interest, and that the plaintiff in making said disposition and sales did exercise reasonable diligence and good faith with respect to the Handel Company stock, the Meriden home site, the factory site and the Highland Pines Hotel stock and bonds.

The court ordered that the plaintiff have the trust deed foreclosed and the real estate therein mentioned sold by H. F. Seawell, Jr., and F. W. McCluer, who were appointed commissioners for that purpose. The defendants gave notice of appeal.

### HELP KIDNEYS

To Get Rid of Acid and Poisonous Waste

Your kidneys help to keep you well by constantly filtering waste matter from the blood. If your kidneys get functionally disordered and fail to remove excess impurities, there may be poisoning of the whole system and body-wide distress.

Burning, scanty or too frequent urination may be a warning of some kidney or bladder disturbance.

You may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes--feel weak, nervous; all played out.

In such cases it is better to rely on a medicine that has won country-wide acclaim than on something less favorably known. Use Doan's Pills. A multitude of grateful people recommend Doan's. Ask your neighbor!
