**Wife's Five Shots at  
Husband Take Effect**

**Ray Thompson of Jackson Springs Section in Serious Condition After Family Feud**

Ray Thompson, white, of the Jackson Springs section is in the Moore County Hospital in a serious condition from injuries sustained when he was shot, according to the story told officers, five times by his wife with a .25 automatic pistol. The shooting occurred Sunday morning, one bullet taking effect in the arm, one in a leg, a third under the right eye, one near the heart and another in the region of the spine, Thompson is said to be paralyzed from the hips down.

The shooting came as the culmination of months of trouble in the home. In February 1936, Thompson was brought into court on a peace bond for the family, but the case was dismissed by agreement of both parties. In March of the same year, he was given 30 days on the roads for assaulting his wife.

The next month, he was again before the court on a peace bond action which was suspended upon condition that he stay out of the county for two years. A month later, upon request of the wife, the peace bond was suspended, records show.

In August of this year, he was given twelve months on an assault charge, which was suspended upon payment of the costs and good behavior and upon condition that he attend church once a month for two years.

According to information given officers, Thompson, who lives only a short distance from the county line, had been coming back from time to time. Mrs. Thompson claimed that he came Sunday morning with open knife and threatened her; that she ran until cornered, then used the automatic.

**PINE NEEDLES ACQUIRES  
SHOOTING, FISHING ACREAGE**

(Continued from page one)

The clubhouse kitchen has been enlarged to twice its former size. A wing comprising a kitchen and other conveniences has been added to the caddy house, and the ground surrounding the employees' dormitory has been excavated and regraded to provide ample light and air in the lower floor, greatly improving the appearance of the building and its surroundings. At the power house, new concrete coal bins have been constructed below grade for the storage of coal that formerly had to be accumulated in ugly piles on the surface of the ground. Unsightly pole lines have been replaced with underground cables connecting the buildings with telephone and electric systems, and much new shrubbery has been planted where it will do the most good to improve the landscape.

Numerous improvements have been made in the golf course. A much needed addition is the 300-yard practice ground extending in a southerly direction from the end of the clubhouse. New tees have been installed on Nos. 4, 7, 9, 15 and 16. The fairways of Nos. 15 and 16 have been widened, and those of Nos. 7 and 8 have been entirely replanted with Bermuda undersod. The course, practice ground and putting course have received their annual topsoiling, fertilizing and seeding, and will soon be covered with a verdant firm turf, the equal of any to be found in New England in midsummer. It takes 22 1/2 tons of seed and 70 tons of fertilizer to do this every year, so, to be sure of proper return for the money expended for labor and material, if any, when Dame Nature fails to supply sufficient rain in one of her fickle moods, ample water will be obtained from the elaborate and efficient sprinkler system installed last year.

It is a big job to get one of these resort hotels all set and ready to go.

**FATHER HANNIGAN'S PARTY  
ARRESTED IN AUSTRIA**

(Continued from page one)  
mail thrown from the train at our Niagara station. The party was under a constant guard. Before the German government would release the prisoners they had to be certified to by the American Consul at Trieste, Italy. Trieste was across the Alps, 80 miles away. An automobile had to be hired at a cost of \$50.00 to get to Trieste and make representation to the American Consul. Furious at the treatment of his fellow citizens, he very soon had the prisoners released and had them sent on their way to Vienna and Budapest.

North Carolina's cultivated hay crop occupies about 15 per cent of the State's cultivated acreage and is one of the state's major crops, reports the State Department of Agriculture.

**Duncan Blue's Will, Dated 1806,  
And Supposedly Burned, Found**

**All the Blues Hereabouts Said to Be Related — Started Leaving Scotland in 1748**

They say that every Blue in Lee, Harnett, Moore and Chatham counties—and everywhere else, for that matter—are kin to each other, and if that statement be true, they are probably the largest family of folks in the world, says the Sanford Herald.

It is said that all the Blues in America came to this country from Argyleshire, Scotland, between the years of 1748 and 1804. They followed one Malcolm Blue and his family, who settled in the year of 1748 at Longstreet Church in Cumberland county, about 12 miles from Fayetteville.

One Duncan Blue, with his family, came to this country, settled at Wilmington, moved the river to Campbell Town (Fayetteville), and thence up the Little River to Lakeview.

He had six children—three sons and three daughters, and the following will was made for them. The record of this will, thought to have been destroyed when the court house was burned some 50 years ago in Moore county, was recently found in Book "A" of wills in the Clerk of Court's office in Carthage:

**Duncan Blue's Will**

To All people to whom these presents shall come I, the said Duncan Blue, of the County of Moore and State of North Carolina, for and in consideration of the love and good will and affection which I have and do bear towards my loving wife, Margaret, First, I give and bequeath unto my dearly beloved wife her maintenance out of my Estate during her life time. Second, Also I do give and bequeath unto my son John Blue of the same County and State aforesaid sum of Three Hundred and Fifty Spanish Milled Dollars to be raised and lived out of my Estate after my death for him the said John his Heirs, Executors or Administrators or assigns. Second, Also I give and bequeath unto my son Patrick Blue of the Same County and State aforesaid the following tracts of land, two hundred acres, situate on the South side of Lower Little River known by McLendons land. Also another tract of twenty acres on the Ridge path that leads from Hector McNeill to Daniel McNeills at the pond. Another tract of forty acres on the North side of Carrolls Branch near the mouth of said branch including the pond south of the reedy branch all lying and being in the County of Moore, the said tracts of land to be possessed and enjoyed by him the said Patrick his Heirs, Executors or Administrators forever against all lawful claim whatsoever.

Third: To give and bequeath unto my son Duncan Blue of the same County and State aforesaid, the following tracts of land fifty acres on the South side of Chadocks Creek where I now live with all its improvements. Also ten acres joining the said tract including the old peach orchard, also another tract of two hundred acres on both sides of Chadocks Creek including Farraners old field, also another tract of twenty acres, on both sides of Chadocks Creek including the mouth of said creek, also another tract twenty six acres on the Ridge path near the head of the horse pen branch, the said tracts of land to be possessed and enjoyed by him the said Duncan Blue, his heirs, executors or administrators, forever against all lawful claims whatsoever.

**Bequeaths Slaves**

Fourth: Also I give and bequeath unto my sons Patrick Blue and Duncan Blue all my moveable effects, to-wit: six negroes Edmond, Big Tom, Hagar, Hannah, Little Tom, and Jude, and all my horses, cattle, hogs and all my household furniture the above moveable property to be equally divided between the said Patrick and Duncan Blue after my death provided the said Patrick Blue and Duncan Blue pay John Blue the said sum of Three Hundred and Fifty Spanish Milled Dollars above will and bequeathed.

Fifth: Also I give and grant unto my daughter Catherine four cows and calves or forty dollars out of my estate after my death.

Sixth: Also I give and bequeath to my daughter Sarah four cows and calves or forty dollars in money out of my estate after my death.

Seventh: Also I give and grant to my daughter Effey four cows and calves or forty dollars out of my estate after my death.

Also I do hereby utterly disallow revoke and disannul all and every other former testament, will, legacy, bequest and executor by me in anywise before made named, willed and bequeathed, ratifying and confirming

**Theatre**

At Pinehurst

"Signalizing the triumphant return to the screen of Norma Shearer, and destined to win universal acclaim as one of the most impressive and spectacular film offerings of all times, the lavish production of 'Marie Antoinette' has been beautifully and painstakingly mounted and motivated and should record staggering grosses in its de-luxe and first run engagements everywhere. It approaches the ultimate in perfection in every department. Miss Shearer's magnificent performance as the tragic Queen of France transcends anything she has previously done and should permanently enthrone her as the screen's first lady." The foregoing is from the pen of one of Hollywood's leading film critics after its premiere on the Pacific coast and is practically duplicated by every other critic in the West and East. "Marie Antoinette" is the attraction at the Pinehurst Theatre Sunday night, October 2nd, at 8:15 at popular prices and at Southern Pines Monday and Tuesday (two days) October 3, 4, at 8:20, with a Tuesday matinee. Box chairs only will be reserved for the Pinehurst showing, which may be purchased at the Carolina Pharmacy.

At Southern Pines

In "Give Me A Sailor," the attraction at Southern Pines Wednesday and Thursday, October 5-6, with a Thursday matinee, Martha Raye, Bob Hope, Betty Grable, Jack Whiting and many other comedy stars, fire a broadcast of laughs that will blast audiences out of their seats. Miss Raye turns in the best performance of her screen career, being afforded an opportunity to excel through a grand, gaggy screenplay and production and direction in keeping. While the feature is fundamentally a merry meringue of mirth and melody, its story thread is sufficiently substantial and its production values sufficiently impressive to entertain those who are not comedy addicts. In a new type of role Martha Raye takes advantage of her varied abilities as a comedienne, singer and dramatic actress, and comes through with a fine performance that should win her new fans.

What is described as "a swell, star-studded action film," Clark Gable and Myrna Loy are again teamed in "Too Hot To Handle," the attraction at Southern Pines Friday and Saturday, October 7-8, with a Saturday matinee. "Too Hot To Handle" presents Gable and Loy at their best, with Walter Pidgeon, Walter Connolly, Leo Carrillo and others sharing in the credits and huzzahs that will surely come from any audience. The story builds to a terrific climax. It is a thriller of thrillers, magnificently played, directed and produced, for it is breath-taking, packing a terrific punch from the opening scenes to fadeout. Stark realism in the shots of a burning, sinking passenger vessel, a crack-up between an ambulance and Myrna Loy's aeroplane, are just a few of the shots magnificently done. Interspersed are moments of rare comedy adroitly played by Leo Carrillo and the explosive Walter Connolly.

This is the week the Southern Pines Theatre reverts to its winter schedule of three changes a week, occurring on Mondays, Wednesdays and Fridays with matinees on Tuesdays, Thursdays and Saturdays.

**DAY OF FASTING, PRAYER,  
AT MANLY PRESBYTERIAN**

The Manly Presbyterian Church is calling upon her members to observe Sunday, October 3, as a day of fasting and prayer.

The program for the day is as follows:

9:30-9:45, Moments of earnest prayer; 10:00-11:00, Regular Sabbath School lesson; 12:15-1:15, Sermon by pastor; 3:00-4:00, Worship; 7:30-8:30, Regular evening worship.

All are cordially invited.

this and no other to be my last will and testament. In witness whereof I have hereunto set my hand and seal this 29th day of August 1806.

DUNCAN BLUE his mark X (Seal)

Test:  
Hugh McDonald  
John Campbell  
Moore County Court Feb. Term 1815.  
The above will was duly proven in open court by the oath of Hugh McDonald and ordered to be recorded.
