Because dancers need no fires, the junior class of the high school will have its party as they were promised some time ago, at the Civic Club tonight, Friday, after which the club will be closed until a new heating plant is installed. Just how long a time this will take is uncertain but regular activities will be resumed as soon as possible.

The Civic Club will hold its annual meeting on Friday, November 11, and will accept the invitation of a club member, Mrs. J. F. Morris, to her new home, The New England House, the former residence of Dr. Blair. Instead of the usual business meeting, followed by tea, the members are asked to come at 1:00 o'clock to a subscription luncheon, making this a family reunion. Each member will tell of her summer experiences, and then help plan for a new year of usefulness to Southern Pines.
