### HEMP GETS SIDEWALKS

New WPA allotments for Moore county, totaling \$48,865.75, will mean a new school gymnasium and auditorium for Aberdeen, a new building for the Pinehurst colored school, new sidewalks for the village of Hemp, and the establishments of matron service in the schools of the county.

The new building at Aberdeen, which is to be started February 6 and is to be completed by May 1, is to be built so that the main floor can be used for a gymnasium. It will seat 700 persons.

The county is contributing approximately \$11,000 of the cost of the WPA about \$18,000, making the total cost more than \$28,000.

The appropriation of \$4,394 for matron service, says County Superintendent of Schools H. Lee Thomas, will be spent in employing negro women to act as assistant janitors in all Moore county schools. The main OF COUNTY FEB. 7 all Moore county schools. The main duty of the women will be care of rest rooms.

Superintendent Thomas said plans are being perfected for a building at the Pinehurst negro school similar to the one to be constructed at Aberdeen. The auditorium at Pinehurst will also seat 700 persons and will cost approximately \$25,000, \$16,-000 of which is to be supplied by WPA and \$9,000 by the county. Work on the negro auditorium is scheduled to begin about April 1.
