

The Board of County Commissioners

will sit as a Board of Equalization and Review on June 19 and 20, 1939. They will hear complaints with reference to real estate values of those who have property in McNeill, Sandhill and Mineral Springs Townships on Monday, June 19. On Tuesday, June 20, those who have property in Carthage, Bensalem, Sheffield, Ritter, Deep River and Greenwood will be heard.

Chairman Board of County Commissioners.

100%

That's the degree of support given the Chambers of Commerce in cities that are accomplishing things. The Southern Pines Chamber of Commerce can do a 100 percent job on 100 percent support from the residents of Southern Pines. It can do only a 50 percent job if it gets but 50 percent support.

The Chamber of Commerce funds go for a lot of things for which the money of the taxpayers—City funds—cannot be used. It sponsors the Beautification Program—the planting which has made Southern Pines nationally known. It promotes Sports Events which are rapidly becoming of national importance—the Women's Mid-South Golf tournament for example, and the Sandhills Hunter Trials, the Gymkhanas, and such. It fosters the spirit of friendliness between Winter Guest and Resident, which keeps people here, sells homes, makes permanent residents of transients.

The only limit to its ability and desire to serve Southern Pines is the degree of support accorded it. For the only funds the Chamber of Commerce has to spend for promoting the best interests of Southern Pines are those contributed by its residents and business interests—the ones who benefit most from its Progressive Program.

SEABOARD REDUCES RATES

A ten percent reduction on the one-and-one-half-cent fare now in effect for round trip individual coach travel with a time limit of 30 days is now offered by the Seaboard Railway, C. H. Gattis, assistant passenger traffic manager, announces.

This new rate which should result in even greater rail travel on the Seaboard is good on all trains of the line including the Silver Meteor; and on other railways in the southeast now having the one-and-a-half-cent per mile rate.
