At The Country Club

Picturesque hole on the No. 1 Championship course at the Southern Pines Country Club. The Country Club is open for golf all summer, and at reduced rates. It welcomes novices as well as the good players. Summer, when courses are not crowded, is the best time for the duffer to improve his game, for the beginner to learn.

The Southern Pines Country Club invites those from all sections of the county and vicinity to make use of its courses.
