**OVER HERE . . .** Standing room was plentiful on giant 16-inch guns, among variety of coast defense weapons tested and shown to public at 20th annual meeting of Army Ordnance association at Aberdeen Proving Ground, Md. High-ranking officers of the services, and congressmen and industrialists watched tests.

**DONE WITH RIBBONS** . . . An engaging set of three matching accessories—beret, fringed scarf and belt—offered as suggestion for national ribboncraft competition. This ensemble was whipped up with about nine yards of ribbon, belt buckle, scarf fastener and a bit of skill with the fingers.

**(GLASS IS SAFE . . .)** With emphasis on safety at National Auto Show, one literally "smashing" demonstration saw 16-pound bowling ball slammed against pane of new high-test safety plate glass. Standard equipment all around on many 1940 models. Despite terrific impact, young lady crouching behind glass feared no flying particles.

**WHAT PRICE? . . .** Government's yardstick for gauging fair war-time retail prices will be low chain store prices made possible by efficient operating methods, predicts George Feldman, Washington economist and author, declaring anti-chain store taxes must be repealed to aid Federal coordination of distributive system in possible emergency.

**BRITISH TOYS, 1939 . . .** Christmas toy previews in London reflect war situation as balloon "barrage" with aircraft-entangling drop lines, anti-aircraft guns with sandbag protection, A. R. P. shelters and army lorries loom as popular Santa Claus items.

**GRIDIRON CHIC . . .** In tune with latest women's fashions, Fern Strong, husky back of New York football Giant, gets laced into wasp-waist corset—but it's really not vainness, for the star plunger needs the corset to brace a strained back.

**How Women in Their 40's Can Attract Men**

Here's good advice for a woman during her change (usually from 38 to 52), who fears she'll lose her appeal to men, who worries about hot flashes, loss of pep, dizzy spells, upset nerves and moody spells.

Just get more fresh air, 8 hrs. sleep and if you need a reliable "WOMAN'S" tonic take Lydia E. Pinkham's Vegetable Compound, made especially for women. It helps Nature build up physical resistance, thus helps give more vivacity to enjoy life and avert coming jittery nerves and those disturbing symptoms that often accompany change of life.

Pinkham's is WELL WORTH trying.

**THE AWFUL PRICE YOU PAY FOR BEING NERVOUS**

Quivering nerves can make you old and haggard looking, cranky and hard to live with—can keep you awake nights and rob you of good health, good times and joy.

What you should try is a particularly good woman's tonic—and could you ask for anything whose benefits are better proved than that world-famous Lydia E. Pinkham's Vegetable Compound? Let its wholesome herbs and roots help Nature calm your shrieking nerves, tone up your system, give more energy and make life worth living again.

More than a million women have reported benefit—why not let Pinkham's Compound help YOU, too, to go "smiling thru" trying times like it has other grateful women for the past 3 generations? IT MUST BE GOOD!

**Watch Your Kidneys!**

**Help Them Cleanse the Blood of Harmful Body Waste**

Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery.

Symptoms may be nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength.

Other signs of kidney or bladder disorder may be burning, scanty or too frequent urination.

There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. Ask your neighbor!

**MUSCULAR RHEUMATIC PAIN**

IT takes more than "just a salve" to draw them out. It takes a "counter-irritant"! And that's what good old Musterole is—soothing, warming, penetrating and helpful in drawing out the local congestion and pain when rubbed on the sore, aching spots.

Muscular lumbago, soreness and stiffness generally yield promptly to this treatment, and with continued application, relief usually follows.

Even better results than the old-fashioned mustard plaster. Used by millions for 25 years. Recommended by many doctors and nurses. All druggists in three strengths: Regular Strength, Children's (mild), and Extra Strong. Tested and approved by Good Housekeeping Bureau, No. 4867.
