HELP STOMACH DIGEST FOOD

Without Laxatives—and You'll Eat Everything from Soup to Nuts
The stomach should digest two pounds of food daily. When you eat heavy, greasy, coarse or rich foods or when you are nervous, hurried or in a hurry—your stomach often turns out too much acid. Your food doesn't digest and you have gas, heartburn, nausea, pain or sour stomach. You feel sour, sick and upset all over. Doctors say never take a laxative for stomach pain. It is dangerous and harmful. It takes those little black tablets called Bell-u-sa for indigestion to make the excess stomach acids harmless, relieve distress in 30 minutes and get you back on your feet. Relief is so quick it is amazing and one 25c package proves it. Ask for Bell-u-sa for indigestion.

Hallowe'en Carnival at Vass-Lakeview Success

Mary Mae Scott Crowned as Queen; Oscar Stevens "Most Beautiful Man"

The Hallowe'en carnival at Vass-Lakeview school Tuesday night was the most successful ever held there. The halls were packed and jammed before the hour of the stage show that it was difficult to get through and the carnival spirit prevailed.

While a final counting had not been completed, Prof. Nix announced Wednesday morning that the net receipts would probably run between \$165 and \$170. The gross receipts were around \$200.

The money will be used for buying library books.

"Miss Vass-Lakeview" for 1939-40 and was crowned and presented a gift, Margaret Bettini, Catherine Caviness and Irene Seagroves held second, third and fourth places in the order named. There were around a dozen additional entrants, all from the high school classes. Interest was keen and the suspense great during the final minutes of voting, but the last count showed Miss Scott leading by 315 votes.

W. V. Nix, Haywood Howell, W. E. Gladstone, Henry Borst, Charlie Gachwind, Redga Thomas, N. N. McLean and Oscar Stevens, dressed as ladies, some in evening gowns, others in street attire, competed for the title of "most beautiful man." The judges rendered their decision by the applause, and Oscar Stevens won the prize.

String music by the Carolina mountaineers, a minstrel show, choruses by a group of high school girls, and an auction sale of cakes and pies, were interesting parts of the auditorium performance. Numerous side shows and a food booth did a thriving business.
