### P. T. A. Meeting

The November meeting of the Parent-Teacher Association was held in the school auditorium Tuesday afternoon. This being "Book Week" the theme of the program was centered around the topic, "Cooperation Between Parents and Teachers in the Use of the Library." Miss Davis, librarian of the Southern Pines School, spoke, giving ways of stimulating interest among children for good reading material. Miss Evelyn Sloan's grade had attractive posters on display and Miss Hattie Mae Sherrill presented three of her pupils, Marybelle Burke, Donald McKenzie and Sally Cheney, who read short compositions they had prepared. Miss Margaret McKenzie sang "Trees," and Miss Bess Arnold Tillman sang "Second Minuet in G." They were accompanied by Miss Annie Marie Choate. Much interest has been shown in the equipping of a library in the elementary building which will be ready for use soon with 400 new volumes. This program was planned and presented by Mrs. T. P. Cheney.

During the business session Mrs. Karl Johnson reported \$125.00 profit from the benefit supper held by the P. T. A. at the Community Church last Wednesday evening.

Mrs. Charles B. Fields, supper chairman, reported a most generous response to this supper and speaking for the association wishes to thank through the press all those who made donations and those who gave their time; showing genuine interest and fine community spirit without which the P. T. A. could not carry on the health work there serving hot lunches.
