Dear Julie

Sister Sue just came back from TOTS' TOGGERY with the best-looking suit to wear to the Steeplechase. It's in a lavender rose shade with the long jacket. To wear with it, she chose a baby blue long-sleeved blouse and the same color hat. I wish I were big enough—she'd never get a chance at it.

Love,

Penny

GOLF DRESS

"The Smart golfer," say teachers of the grand old game, "is the one who steps up to the tee with an attitude of perfect confidence." To the woman golfer, confidence is as much a matter of how well and appropriately she is dressed as the knowledge that she can smack one straight and true down the fairway. Ken-tee's clean tailored lines and classic simplicity give you that confidence.
