Jay-Cees Ask Public To See Health Movie

W. S. Page, Jr. of N. C. Tuberculosis Ass'n. To Illustrate Talk at Civic Club

A special program will feature the regular meeting of the Junior Chamber of Commerce to be held on Monday night. Because of this program, which should be of wide interest locally, the meeting will be held at the Civic Club and the public is cordially invited to attend.

Through the courtesy of Frank W. Webster, former superintendent of schools here and now director of the North Carolina Tuberculosis Association, his assistant, Walter S. Page, Jr. will be at the meeting to make a short talk and exhibit a 15-minute movie showing the work being done by this organization. This educational program should prove of much interest here, especially to the many friends of Mr. Webster in the Sandhills.

Jay-Cee President J. D. Arey, Jr., hopes to complete the business meeting of the club before 7:30 so that the program may be started promptly at that time.

Legion's Poppy Day in Sandhills on March 19

Memorial Flower To Be Sold to Aid Rehabilitation Work of Posts, Auxiliaries

The American Legion Auxiliary, in order to protect its Memorial Flower, the poppy, from the inroads of commercialism, adopted a national poppy program at the St. Paul convention in 1924 which eliminated the commercial poppy from the sales supply of the Auxiliary.

The memorial poppies are made of red crept paper, by hand, by disabled veterans in more than 50 hospitals and poppy workrooms in 40 states, and the workers receive pay for each poppy made, the material being furnished free by the department in whose territory the hospital is located.

More than 10,000,000 poppies made by disabled veterans are sold on the streets under supervision of the American Legion Auxiliary, on the Saturday preceding Memorial Day, by approximately 100,000 volunteer workers who receive no compensation. In Southern Pines special permission to sell poppies early is granted by the State Department of the Auxiliary at Charlotte.

Through the American Legion Auxiliary poppy program more than \$100,000 is paid annually to needy and disabled service men and women for making the poppies.

Proceeds from the sale of these poppies amount to more than \$1,000,000, every penny of which is devoted to rehabilitation work by both the Legion and Auxiliary, which includes aid to the needy veterans and their families. The public is given an opportunity each year to help the great work of the American Legion and the American Legion Auxiliary, as well as opportunity to pay tribute to all who died in service, by wearing a poppy on Poppy Day.

Poppy Day this year in the Sandhills will be Wednesday, March 19th. You will have a chance to buy one from some representative of the local Auxiliary unit.

SURPRISE BIRTHDAY PARTY

A surprise birthday party was given by friends of Mrs. Emma Ramsbottom on Wednesday afternoon at the home of Mrs. Willis Gowdy on Connecticut avenue. Those present were Mrs. Ruth M. Rockwell, Mrs. Sally Garvin, Miss Florence Garvin, Miss Frances M. Gregory, Mrs. H. B. Moore, Miss Ida E. Elsenbast and Wallace Bryant. After Mrs. Ramsbottom viewed her lovely gifts and during the serving of tea, a further surprise was in store for her in the presentation of a large birthday cake displaying no more than 21 candles. A birthday poem, composed by Mary Parker Colvin, was read. When Mrs. Ramsbottom returned to her own home, she was greeted with gorgeous bouquets of pink carnations and white snapdragons and a high bowl of jonquils sent by thoughtful friends.
