Theatre

By special requests from the many who missed that all-industry cavalcade of American history, "The Land of Liberty" it is playing a return engagement at Pinehurst Sunday night, March 16th, at 8:30 and Monday, March 17th at 3:00 and 8:30 p. m. An attraction that should be seen by every American, it begins with the founding of the nation and, after showing the grow of the country, ends with the promise of better living to be realized through science and enlightenment. It is a powerful and moving re-creation of a century and a half of American life and helps to emphasize the spirit of the nation based on the rights of individuals. The return of Harold Lloyd to activity in the scene of his glory, this time as a producer instead of a star, shared top billing with the annual awarding of Oscars by the Motion Picture Academy of Arts and Sciences among events of last week in Hollywood. Those who see "A Girl, A Guy and a Gob," the attraction at Pinehurst, Wednesday, March 19th, at 3:00 and 8:30 p. m. are in for a rollicking good time when this fast-moving riotously funny comedy comes to town. Performance are so consistently good that it is difficult to separate one for special mention, but George Murphy as the gob will most likely fill that spot. He does a swell job, with Lucille Ball and Edmond O'Brien close behind for top honors. It is a racy, romantic comedy produced (not acted in) by the laugh specialist, Harold Lloyd.

The long looked for and much discussed screen version of the greatest stage success of all time, "Tobacco Road" is coming to Pinehurst Friday, March 21st, at 3:00 and 8:30 p. m., with a hold-over on Saturday night if the capacity of the theatre is overtaxed on Friday. And perhaps we should rush to report early that, while the theme is earthy and racy, a remarkable surgical operation has retained the strength, while fully eliminating and worries about "dirt." The famous character of Jeeter Lester is in the hands of Charlie Grape, win, and is a characterization that is right now down on the list for 1941 Academy awards. But for that matter you will hear about everybody else in the cast. Elizabeth Patterson, as Grapewin's mate, Marjorie Rambeau, Gene Tierney, Slim Somerville, Grant Mitchell, Russell Simpson, Ward Bond and many others are all tops in their respective roles. The greatest popular hit in all stage history comes at last to the screen.
