

Moffitt of High Point Jay-Cee Golf Champ

76 From All Parts of State Compete in Annual Event in Southern Pines

W. R. "Buster" Moffitt, Jr., of High Point shot a sizzling 70-75 for a 145 total to capture the third annual North Carolina Jay-Cee golf championship, played over the No. 1 course at Southern Pines last weekend, Moffitt led defending champion Jack Biggs of Raleigh by five strokes at the end of play.

A field of 76 Jay-Cees competed in this event, the players representing clubs from every part of the state. The Southern Pines organization acted as host for the tournament and buffet supper which followed the close of play.

For the second year in succession W. H. Chamblée, of Raleigh, carried off low net honors, his total nosing out Joe Brown of Fayetteville, who posted a net 133.

The team trophy again went to Raleigh, the members and scores of the winning team being: Biggs, 150; John Owens, Jr., 152; Jimmy Poyner, 162, and Wyatt Taylor, 164.

After a stirring stretch battle, R. S. Hudson, of Raleigh, nosed out Vernon Allen, of Southern Pines, for the high gross prize. Although Allen tried valiantly, some of his putts insisted on going in the cup and he wound up with 281 to Hudson's 290.

Moffitt's 145 set a new record for this tournament, and it came the first time he had ever played the course.

The statistics, which cover old age assistance, unemployment compensation, aid to dependent children, aid to blind, maternal and child health, service for crippled children, child welfare service, vocational rehabilitation and public services (nine of the 10 divisions of the social security act), show that a total of \$318,466 in SSA aid was paid out in Moore. Pastoral Plays, Country Dancing at Ark Closing

"Pageant of Hours" a Feature of School Program—Play Groups Organized

The pupils of the Ark School held their closing assembly Tuesday morning before a large gathering of parents and friends. The program, which was given in a beautiful lawn setting consisting of pastoral plays and country dances.

Three scenes from Shakespeare's "As You Like It" were exceedingly well done by the older pupils, while "A Mad Tea Party," by the younger children, and drills and dances by the kindergarten group, were also enthusiastically received.

The closing item on the program was "A Pageant of Hours," the interpretive dancing, under the leadership of Miss Ruth Rabenold, being set to Ponchielli's "Dance of the Hours."

In spite of the unavoidable absence of four of the "hours" the pageant, with its rainbow costuming, was considered one of the most delightful events ever given at the school.

Owing to an unusual number of children remaining south through the summer, Mrs. Hayes is arranging organized play groups at The Ark through June. For the children between three and six years of age, there will be a program of stories, songs, rhythms, and games; for boys and girls, six to ten years, there will be setting up exercises, handicrafts, nature club, games and dramatics. Full particulars may be had upon application to the school.
