### Community Party

Members of the Community enjoyed a "tacky" party in the Community Church basement Saturday night given by the Brotherhood and Ladies classes. Curtis McKenzie was chairman of the planning committee. Lloyd M. Tate was master of ceremonies, assisted by Mrs. J. W. Harbison and Mrs. C. E. Swaringen. Herbert Ehrhardt, Jr., acted as "Dr. Quiz." The Pinehurst quartette—Whit Thomas, accordion, Clyde Garner, wash tub; Edgar Currie, wash board; and J. C. Hunt, guitar—furnished a half-hour of music.

A. B. Sally and Clarence Thomas found it difficult in judging the best costumes. Among the winners were two young daughters of T. W. (Ted) Robertson, three young daughters of Henry Butner; Georgianna Black, Jimmy Harbison, Bobby Barrett, Mrs. J. W. Harbison, Mrs. Charlotte Coburn, Thomas L. Black, Harold J. Calloway, and Patty Creath.

After two hours of fun, punch and cookies were served.

### Leadership Course

One of the two Leadership Training Courses conducted by Fayetteville Presbytery will be conducted by Miss Myrtle Williams of the Training School in Richmond, who is a member of the Religious Education Committee, (Children's Division) this weekend in the Community Church. The dates are Sunday, March 17th, 4 to 6 o'clock in the afternoon; 7:30 to 9:30.

All the nearby Presbyterian churches will have a good representation, it is hoped. The course is principally designed for those teachers in the Sunday School and for prospective leaders. However, it is free to all and should be interesting to every one.

### Hensley — Antonielli

Mr. and Mrs. Larry Hensley announce the marriage of their daughter Phyllis Eleanor to Guido M. Antonielli of Washington, D. C., on Saturday afternoon, February 16th. The ceremony took place in Mt. Vernon Methodist church, Reverend John W. Rustin, pastor, officiating.

### Engagement Announced

Announcement has been made of the engagement and approaching marriage of Miss Ruth Allen Lilly, of Albemarle and Charlotte, and Albert J. Veno, of Pinehurst and Charlotte. Miss Lilly is the daughter of Mr. and Mrs. James N. Lilly of Albemarle, and Mr. Veno is the son of Thomas Veno and the late Mrs. Veno of Pinehurst. The wedding will be an event of March 23rd.

### Bridge Hostesses

Mrs. Lloyd M. Tate and Mrs. Clarence W. Thomas entertained at bridge at Mid-Pines last Tuesday afternoon. Their guests were Mesdames Wesley R. Viall, Her-

bert Ehrhardt, A. P. Thompson, John Frank Taylor, Herman Campbell, C. E. Swaringen, L. B. Creath, W. R. Woolston, S. A. Hennessee, Wilton Brown, James W. Harbison and Gordon Cameron.

### Fourth Birthday

Little Miss Anne Wicker recently celebrated her fourth birthday, at a party given by her mother. Her guests included Norman McKenzie, Betty and Donnie McCaskill, Bradley Johnson, Kent Kelly, Pat and Johnnie Calcutt, Nancy Lou Gouger, Patty Creath, Beatrice Barrett, Karen McKenzie, Billy Prince, Lou and Jane Barrett, Nicky Caldwell, Joan Kelly, Toby Butner, Frankie Bost, Elaine and Ann Ehrhardt.

# Let's Tackle Inflation While We Can

You don't want your dollars to buy less and less and less!

You don't want your savings to melt away! Or the value of your life insurance to dwindle!

Yet that is what inflation can do to all of us. Therefore, thoughtful people everywhere are concerned with ways to smother it before it gets out of hand.

One major cause of inflation is a shortage of goods when people have money to spend for things they want.

That cause can be eliminated by the production of goods — fast — in quantity.

### BUT THERE'S A BOTTLENECK

During the war there wasn't enough labor and materials to meet the needs of war and still produce all the civilian goods people wanted and could buy.

Therefore price controls on civilian goods were substituted for competition to keep prices down.

Today this country has all the labor and materials necessary to turn out the things people want.

Yet goods are still scarce. Store shelves are still bare. The national pocketbook continues to bulge. Inflation grows.

Why? Because price controls in peacetime hinder the production of goods. Business cannot live by producing at a loss. And so, goods that can't be made to sell at the prices fixed by the government just don't get made.

Nor will the raising of price ceilings solve the problem. When costs and selling prices are subject to change at any moment by government action, production has to be on a day-to-day basis.

That means uncertainty . . . reduced output . . . more inflation.

### ISN'T THIS THE ANSWER?

Remove price controls on manufactured goods and production will step up fast.

Goods will then pour into the market and, within a reasonable time, prices will adjust themselves naturally — as they always have — in line with the real worth of things.

Competition has never failed to produce this result.

This is the way you can get the goods you want at prices you can afford to pay.

Please think this over. Then tell your representatives in Congress what you believe should be done. You owe it to yourself . . . and to your country's welfare.

LET'S SMOTHER INFLATION... A postcard addressed to the National Association of Manufacturers, 14 West 49th Street, New York 20, N. Y., will bring your copy of a booklet explaining in detail why price controls cause inflation.
