## MY SINCERE THANKS...

I wish to take this opportunity to express my sincere thanks and appreciation to my friends in every voting precinct of Moore County for the splendid support given me Saturday.

I wish I could see each of you personally and thank you for the support you gave me, but since that is not possible I want to use this method of assuring you that my appreciation is genuine and heartfelt.

Sincerely,

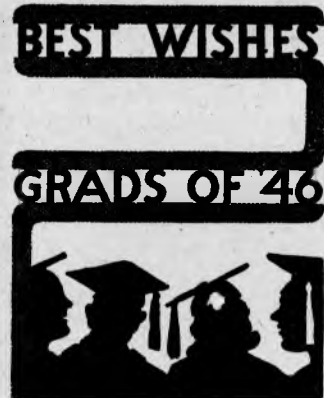

*H. Bristow Blue*

## With Gratitude...

I take this opportunity to thank those who voted for me in the past elections. That evidence of their faith in me is deeply heartening. It is, moreover, an assurance of their interest in and support of the welfare and upbuilding of Moore County, a cause for which I stood and will continue to stand.

I trust that together we may continue our work for the good of our County.

With gratitude,  
Lula McPherson Guthrie
