

Society Formed To Fight Spread Of Veneral Diseases

John Lang, Carthage Is Field Secretary

Immediate Action In All Counties

The North Carolina Social Hygiene Society filed its charter Wednesday, August 28 with the Secretary of State. The Society's announced purpose is to cooperate with professional forces in the movement directed towards control of veneral diseases in the State. The charter indicates that its program will be largely informational and educational.

The incorporators of the Society are Stratton Coyner, Winston-Salem, secretary of the board of trustees of the Smith Reynolds Foundation; Earl N. Phillips, High Point, businessman and mayor; Charles A. Cannon, Concord, manufacturer; Dr. William M. Copridge, Durham, president of the North Carolina Medical Society; Mrs. Karl Bishop, Spray, president of the State Federation of Women's Clubs; Capus Waynick, High Point, at present active in the organization of the Society; and Former Governor J. Melville Broughton, of Raleigh.

The headquarters of the Society will be maintained in Raleigh with Capus Waynick as Executive Director and John A. Lang of Carthage as Field Secretary. A rural membership will be sought throughout the State, with local councils to be formed in each county and large municipality. The Society announces that it will publish a magazine to be called Better Health.

The State Health Officer, Dr. Carl V. Reynolds, was among those who encouraged the formation of the Society, expressing the opinion that a popular movement to promote understanding of the problem and to give support to the medical forces is necessary if control of the veneral diseases is to be accomplished in a reasonable length of time.

The State Health Officer referred to the fact that the control program conducted by the State and local health officers is losing important financial support as the Reynolds Foundation funds are converted to their final use as an endowment of Wake Forest College. "This loss of funds comes at a time when the control program is succeeding under trying social and economic conditions," Dr. Reynolds stated, "I regard enlistment of popular interest in the program as a movement of high potential value in the veneral disease control effort."

Control of the new Social Hygiene Society will be lodged in the hands of a board of directors. The names of the directors have not been announced. In its work in the State, the Society will be affiliated with the American Social Hygiene Society.

Young Jerry Lentz Bitten By Big Dog

Young two-year-old Jerry Lentz was slashed several times by a dog described as "between 75 and 100 pounds, short white hair with long floppy ears, and a black spot on hip."

Jerry, the grandson of Mrs. Leila Woods, and son of Mr. and Mrs. C. T. Lentz of Lumberton, was visiting his grandmother on the old Bethesda Road near the Paddock. Mrs. Woods was putting away some groceries in the back of her cellar when she heard the child screaming. She ran upstairs and found the child being attacked by the strange dog. Mrs. Woods kicked the dog off the child and says that the

Steel Fence Up, Game Lost, Car Given Away Labor Day

Free-Hitting Robbins Team Downs Locals

The Labor Day holiday, the new fence, and the drawing for the new 1946 Plymouth (at the end of the game) proved too much for the local ball players as they dropped a free hitting, loosely played ball game to Robbins 10-7.

Both teams were hitting the "apple" and only three innings were scoreless. Robbins got off to an early lead and by the sixth inning the score was 10-4 in their favor. It was only in the last of the ninth that the Southern Pines team made their bid scoring 3 runs. It was "snuffed out" and the game went to Robbins 10-7.

The game inning by inning went as follows: First Inning: Robbins; 0 runs on 0 hits; Southern Pines, Harper singled to right field, Howell was out to center field, Newton rapped out a clean single to left field, scoring Harper. A mighty triple by McRae brought in Newton. Pate struck out, Buchan singled to left center and McRae came home. McNeill was safe on a fielder's choice Buchan going out shortstop to second ending the inning. Score: Southern Pines 3 Robbins 0.

Second inning: Robbins, Marley safe on error, Frye was safe on error, Enloe grounded out pitcher to 1st, Stutts struck out, Williams singled to center field scoring Marley and Frye. \$\$\$ SCORE

The ticket sale for the Labor Day ball game where the new Plymouth was given away to the lucky ticket holder brought in \$7,013. After the deduction of State and Federal taxes, the cost of the car, plus other expenses, a balance of \$4,458 was left which not only pays for the fence but leaves a small surplus that will remain in the Veterans' Athletic Fund for future usage. The small group of especially hard workers deserve great credit for the excellent way they ended the drive, clearing the final hurdle with dollars to spare.

to first. McRae ended the inning with a strike out. Score: 9-4.

Sixth inning: Robbins, Walker singled, Hartsoe singled, Marley singled and Walker scored. Hartsoe was caught off base, Marley was out at third on fielder's choice. Frye was out stealing second. 1 run 3 hits. SP Pate grounded out, Buchan singled, and McNeill and Dunn were both out. Score: Robbins 10 SP 4.

It was 0 and 0 for Robbins in their part of the seventh. Southern Pines had the bases loaded in their half of the inning but a fast double play killed the rally. 0 runs on 3 hits.

In the eighth both teams had hits but were unable to score and it remained at 10 to 4.

Going in for their last time at bat Robbins had 1 hit 0 runs. Southern Pines Harper was safe on error, Howell singled, Newton singled scoring Harper. Six Man Football Opens Season With 38 Squad Practice

Six Lettermen Return Three First-stringers

First Home Game On Oct. 2 Against Curry

The six-man football season of the Southern Pines High School got off to a thirty-eight man start last Wednesday when six letter men and thirty-two first year youngsters turned out for the first practice call.

Of the six lettermen, Harrington, York, and Arnette are from last year's first team, with Straka McLeod, and Morgan lettermen.

The opening game of the season will be on the 25th of September with the Pittsboro High School at Pittsboro. The first home game will be the following week (Oct. 2) with the Curry High School team from Greensboro.

The schedule at present calls for five home games out of a total of eight regular games. However, if the team this year does as well as last year's team there will be play-offs for the championship. Last year's team won the Eastern North Carolina Championship, and were only beaten for the State championship when the Junior Order Orphanage from Thomasville beat them on their home grounds last Thanksgiving.

No Tax Rate Cut For Coming Year In Southern Pines

High Cost Of Labor Given As Main Reason

Synopsis Of Budget

by Howard F. Burns

Appearing in another section of this paper is the Town Budget for the Fiscal Year beginning July 1st, 1946 and ending June 30th, 1947. It was the hope of the Mayor and Town Commissioners that it might be possible to cut the tax rate for this year, since making sale of the Southern Pines Country Club. However, due to the increased cost of labor and materials, it is impossible to make any reduction in the tax rate for this fiscal year.

The principal items making up the difference are: increase in cost of labor and materials for street maintenance; purchase of a motor grader; purchase of clay site for clay used in grading streets; purchase of land on West Broad Street, across the street from the Moore County Historical Association, from the Shaw Estate; printing of folders of Southern Pines (the first the Town has bought since before the war); and services of firemen in attending fires.

The Total Bonded Debt of the Town as of July 1st, 1946, was \$459,000. During the year, the Town will retire \$30,000 and will have an interest payment of \$16,848.75, or a total for Debt Service of \$46,848.75. Approximately \$20,000 will be paid from the Water Department, leaving \$26,928.98 to be appropriated from the Tax Budget, which is a slight increase over the previous year. Expenses of other departments will remain about the same as for the previous years.

GI Insurance Features Changes

GI Insurance policies have recently undergone a streamlining that eliminates the major drawbacks of Government Insurance as compared with civilian policies.

Before the recent changes, GI Insurance could not be paid off in lump sums, and the beneficiary could only be a member of the immediate family of the insured. Both these restrictions are now eliminated. The insurance can be paid in one lump sum, and it can also be made out to any person the insured may desire.

Before, GI Insurance covered only the Twenty and Thirty Year Pay plans, and Ordinary Life. Added now are Twenty Year Endowment, Endowment at the age of sixty, and Endowment at the age of sixty-five.

The Insurance may also be paid off in equal monthly installments of 36 to 240 months (in multiples of 12), or for 120 certain payments in equal monthly installments. If the first beneficiary dies before all the payments have been made, the remaining payments will be paid to the second beneficiary.

Income Disability
Another addition is that in case of total disability of income, \$5 per month per thousand of insurance will be paid the insured if this clause is asked for at time of conversion. It requires paying a small additional premium.

Reinstatement
Any GI Insurance on term basis which has elapsed may be reinstated simply by the paying of two monthly premiums and proof that the insured is in as good health as at time insurance was allowed to elapse.

One of the basic advantages of GI Insurance is that it covers anyone in any job, whereas civilian insurance requires higher rates to be paid by those in dan-

GI DEMS

Tonight at eight o'clock, September 6, the GI Democrats are holding their second meeting at the Southern Pines High School, and their third meeting in Moore County.

All veterans of all wars are invited to attend, as well as any civilians who would like to find out just what these GI Democrats are planning to do by way of taking part in the "better government" put forth in the "Chalfonte Resolutions."

GI Democrats believe it is time veterans made full use of the tremendous political power that can be exerted by united vets. "Ballots Not Bullets" is the belief of the GI Democrats.

Craighill Brown Represents Diocese At Convention

One Of 4 Clergymen From NC Diocese

The Rev. Craighill Brown and Mrs. Brown leave on Monday for Philadelphia to attend the 52nd General Convention of the Episcopal Church and the Triennial Convention of the Woman's Auxiliary. Mr. Brown is one of four clergymen who will represent the Diocese of North Carolina as deputies to the General Convention which is the highest governing body of the Episcopal Church. Other clerical deputies from this diocese are the Rev. M. George Henry of Christ Church, Charlotte, the Rev. John Q. Beckwith, Jr. of St. Timothy's Church, Wilson, and the Rev. David W. Yates of the Chapel of the Cross, Chapel Hill. Lay deputies from this diocese are Mr. Francis O. Clarkson of Charlotte, Mr. Cleveland Thayer of Asheboro, Mr. Kemp Battle of Rocky Mount, and Prof. Urban T. Holmes of Chapel Hill.

Philadelphia has been the scene of a number of the triennial meetings of the General Convention, the most notable of which was the first, in 1789. Meeting in the same hall in which the Constitution of the United States had been adopted in 1787 and under the leadership of a number of the same people, the Convention adopted a Constitution by which the former Church of England in the colonies became a legal entity as the Protestant Episcopal Church in the United States of America.

Among the many matters of importance to be dealt with by the General Convention are two of wide interest to the general public; a proposed revision of the Church's laws respecting marriage and the question of possible union with the Presbyterian Church in the U. S. A., commonly known as the Northern Presbyterian Church.

Because of the rector's absence there will be no services in Emmanuel Church after the eleven o'clock service on Sunday, Sept. 8th, until eight o'clock on Sunday, September 22nd.

UN Committee Must Reject Selection Before MC Can Act

If Encouragement Shown Would Become Statewide

Officially, the United Nations has already made the selection of its permanent home site. That is the Westchester selection in New York-Connecticut.

Unofficially, the United Nations is expected to turn down the Westchester selection sometime between now and the first of the year.

Should the United Nations decide against a metropolitan area in favor of a rural area, and reopen the site selection, "then", said Colin Spencer, "we stand an excellent chance. We are in excellent shape to be selected here."

Colin Spencer is chairman of the Moore County group preparing a folder of detailed information which will be presented to the United Nations site selection committee.

The United Nations selection committee, or a member of it, said Mr. Spencer, "have asked me if we want them. We have sent them letters from Governor Cherry, from the Town Commissioners, and from each community in Moore County. With just a little encouragement this will become a statewide project. We have the good will of the entire State, as well as the surrounding Counties. However, we can't do anything until they meet and turn down the Westchester selection."
