### Achievement Day Program Musical

Around 75 people attended the Achievement Day program of the Home Demonstration Clubs held in the Carthage High school last Thursday night. The members enjoyed an evening of music by group singing, quartets and stunts.

Mrs. Redga Thomas, president of the Moore County council, presided over the meeting which opened with the singing of "Onward Christian Soldiers."

Annie Frances Smith gave the devotional using as her theme "God in the Autumn World." The minutes and treasury report were given by Mrs. A. C. Bailey.

Mrs. Lloyd Thomas of the Springfield club was installed as the new County Council president. Mrs. C. P. Jones of the Mount Holly club is the vice-president. Recognition of the successful work of the retiring officers was given by Flora McDonald, home agent.

The quartets from Pine Grove and High Falls entertained the group with several numbers of spiritual and folk songs. Stunts given by the clubs included Turning of the Table and Husband Tongue-lashing The "Ain't It Awful" stunt given in costume by the High Falls quartet brought down the house. Games were led by Mrs. Arthur Gaines and Ruth Harrell, assistant home agent, who had charge of the recreational program.

Mrs. Cecil Maness of High Falls won first place in the feed sack dress revue. Mrs. Addie Baxley won second place and Mrs. Sarah Brady third.

High Falls won attendance recognition with sixteen members present. Club members were honored who had 20, 15, and 10-year membership records.

### Everybody's Doin' It!

Mrs. Thomas Tarbox, of Fairlawn, N. J., gets help scrubbing the stairs from her daughter, Carol Sue, 1 1/2. She also gets help from her consistent salvage of used cooking fat that provides the soap for all household chores. Household salvage helps make not only packaged and laundry soap, but other short supplies, as well.

### NO TIME TO DREAM

Your car is a 2-ton projectile, capable of a speed of 70 to 100 miles an hour. At the maximum speed limit of 45 miles an hour, it takes 160 feet to stop it if it is in perfect mechanical condition. Reaction time, that is the time it takes to move your foot from the accelerator to the brake, consumes from three-fourths of a second to a second and a half, during which time your car has traveled some 55 feet at 45 miles an hour.
