## News and Personals from Vass

Bessie Cameron Smith, Representative Telephone Vass 8-F31

### TB Seal Sale On

The Tuberculosis Seal Sale got under way here Tuesday when Mrs. S. R. Smith, chairman, and Mrs. N. N. McLean canvassed the business houses with gratifying success. Four ten-dollar and five five-dollar bonds were sold in addition to seals in smaller quantities. On Wednesday seals were put in the hands of school boys and girls to sell in the homes and to individuals outside the business houses. Indications are that this year's sale is going to top all previous sales here. Persons who fail to get an opportunity to help in this important work are asked to contact the women named above or any pupil of the Vass-Lakeview school, and they will be glad to see that seals are made available.
