High School Wins Second Game of Season, Stopping West End 68 - 22

Details of the Southern Pines-West End High School football game, played here last week and won by Southern Pines 68-22, were omitted from The Pilot's story of the game because of space requirements. Full report of the game follows:  
By JIM HATCH

1st Quarter:

Southern Pines won the toss and elected to receive the ball. Smith took the kick and ran for 40 yards before he was brought down. Southern Pines then lost the ball to West End, but redeemed themselves as Page recovered a West End fumble behind their goal for the first local tally. Tommy Ruggles was then called on for the kick for extra points. The kick was good and the local lads led 8-0. Ruggles then kicked off to the Red and White of West End. The Red and White soon lost the ball on downs and Bill Cox took over for Southern Pines. From the West End 5 yard line Cox went over for another Blue and White TD. The score was then 14-0. Ruggles' kick was good and the score rose to 16-0 for the locals. Though hard-fought the rest of the way, there was no scoring done in the rest of the quarter.

2nd Quarter:

Southern Pines ran to the West End 1 yard line on the following plays, and then Joe (Tank) Smith took the pigskin over for another Southern Pines tally. The score was then 22-0. Ruggles once again kicked his famous extra point and the score was in favor of the Blue and White lads 24-0. Ruggles then kicked off for Southern Pines and on the following plays West End scored their first TD on a pass. Their kick was good and the score stood at 24-8.

West End then kicked off to Southern Pines and Bill Cox went over for another Southern Pines TD. The locals then led 32-8 as Ruggles kick was good.

Johnny Watkins intercepted a West End pass on the next few plays and ran the ball back to the West End 10. From here Little Tank Smith carried the pigskin for another local tally making the lead 38-0. Ruggles' kick was good for 2 points and the score rose to 40-8.

Ruggles kicked off to the Red and White and a few plays later West End lost the ball on a fumble that was recovered by Don Cheatham. Kenneth Creech, a rising young freshman, carried the mail for the locals and the score rose 46-8. For the first time of the ball game Ruggles missed his extra point so the score stood at 46-8. Then, after Ruggles' kick-off, West End started a lateral, passing play that awed the crowd. On two laterals and a forward pass, the Red and White scored unopposed. The locals still led 46-16 after the West End kick. There was no further score in the second quarter.

Band Plays

During the half time, the local band and majorettes entertained the crowd with twirling and popular march music. This is the second appearance for the local musicians and everyone praised the method in which they handled the entertainment.

3rd Quarter:

The third quarter opened with

a "bang" as Tommy Ruggles passed the pigskin to the waiting arms of David Page for another beautiful local TD run. Ruggles then passed to James Humphrey for the extra point and the score rose to 53-16. Cox then kicked off for Southern Pines. On the West End first down, a beautiful run was made from their own 20 yard line for another red and white touchdown. The score: 53-22, as the West End kick was blocked by Paul Propst.

4th Quarter:

Bobby Cline ran the ball to the West End 10 yard line after the kick off. From here Joe Smith scored and Tommy Ruggles kicked the extra point to put the Blue and White ahead 61-22. Ruggles kicked off and on the following plays James Humphrey stopped the West End player behind his own goal. A fumble was the result. David Page then recovered the ball behind the goal for another Southern Pines touchdown. Ruggles then passed the extra point which was good and the Southern Pines team left the field with their second victory which was 66-22 over West End.

Beautiful line play was seen, both offensive and defensive. George Morrison, David Page, Bill Marley, Paul Warran, Bobby Renegar, Harold McNeill, Tony Parker, Paul Propst and Joe Diggs did a fine job of handling blocking and tackling for the winning team. Another fine job was done by Jimmy Berber for taking notes of this ball game making it possible to write it.

Much praise is due to both coaches and team for the swell performances in both games of the Southern Pines High School football season so far.

Mrs. Avery Evans, Mrs. L. L. McLean and Mrs. J. S. McLaughlin of Southern Pines, and Mrs. Herbert McInnis of Lakeview spent Tuesday in Raleigh.
