

Forestry Division Ready To Assist Woodland Owners

The North Carolina Department of Conservation and Development, Division of Forestry, is offering "in-the-woods" service to the woodland owners of Moore County. These services consist of advising, improvement cutting and reseedling of valuable species. Other assistance is given in the control of insects and diseases of forest trees, and recommendations on how best to protect them from vice on forest tree planting, thinning and fire.

At the present time the services are free to the landowner except that in cases where trees are marked, the landowner is charged two dollars for each gallon of tree marking paint used.

In all cases, where a landowner is going to sell timber, it will be to his advantage to obtain the advice of a Forester before selling.

Anyone in Moore County can get this forestry assistance by contacting County Forest Ranger Travis Wicker, whose telephone number is 2-7951, Southern Pines, or by writing Service Forester, Box 664, Rockingham.

Mrs. Brady Awarded \$10,000 Damages For Injuries In Car-Truck Accident

Nehi Beverage Co. Appeals Decision To Supreme Court

A jury awarded \$10,000 to Mrs. Virginia Maness Brady, of the Howards Mill section of upper Moore county, in her \$25,000 damage suit arising from a car-truck collision of May 21, 1951, during last week's term of Moore County Superior Court for trial of civil cases.

The dependant, Nehi Beverage Co., Inc., of Albemarle, promptly gave notice of appeal to the State Supreme Court and posted bond of \$200.

Still untried for lack of time—as were many other cases calendared for the term—was the separate damage suit of Mrs. Brady's husband, Lester, seeking \$50,000 damages for his injuries in the same accident, plus \$855 for his car.

Nehi has filed a cross-action naming Brady as party defendant and claiming it was his own negligence which caused the accident.

Trial of Mrs. Brady's damage suit started Tuesday afternoon and continued until the expiration of the term late Thursday. A number of witnesses were heard and cross-examination was searching. Mrs. Brady claimed the Nehi company's truck "loomed up ahead" filling the highway as it emerged from a side road, directly in front of the car her husband was driving, and in which she occupied the right-hand front seat. The resulting collision, she testified, threw her against the windshield and dashboard, causing her to suffer a deep cut over her right eye, knocking the eye itself completely out so that it "hung down on her cheek." Delicate operations and painful treatment at two hospitals saved the eye, she said, but has resulted in permanently impaired vision, numbness and "splitting headaches."

The jury found that Mrs. Brady had been seriously and permanently injured, and that there was no concurring negligence on the part of her husband.

Conferences Held
The first day of court was taken up with pre-trial conferences, motions and other court actions. Judge Frank M. Armstrong of Troy, presiding, scheduled several cases to be tried in the next three days but the Brady damage case took up practically all the trial time.

In one other accident case which was tried, Mrs. Nellie Mae Green of Aberdeen was awarded \$5,000 in her \$10,000 suit against a paratrooper, Thomas J. Surges, whose car rammed hers from the rear in an accident last October 25 on US Highway 1 between Southern Pines and Aberdeen. Mrs. Green suffered painful injuries in the accident.

On motion of the defendant in an action for absolute divorce filed by H. W. Dorn vs. Elliotte F. Dorn, alimony and attorney's fees, to be paid by the plaintiff to the defendant pending trial of the case, were approved.

Seven Divorces

Seven uncontested divorces were granted Tuesday, all on grounds of two years' separation. These were: Edith Strickland Ross vs. Lucius C. Ross, plaintiff awarded custody of three children; Willie Lee McLaughlin vs. Pauline McLaughlin; Mary K. Haley vs. Floyd M. Haley; Richard L. Farrington vs. Mary L. Farrington, defendant receiving custody of the child; Nerissa Coleman Caldwell vs. Clell S. Cald-

Miss Woolston Plans 27,000-Mile Journey

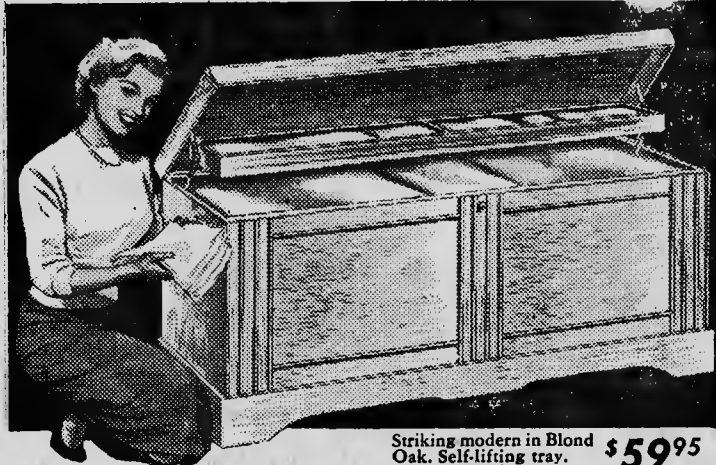

Miss Rosemary Woolston of Pinehurst will depart this week-end on a 27,000-mile air journey. She will fly to Lisbon, Portugal where she will spend a few days before continuing to South Africa where she will visit Johannesburg, Cape Town, Durban and smaller cities, taking the famous Garden Route tour by automobile. She will see an ostrich farm in operation and go through the animal reserves of Hluhluwe and Kruger National Park.

Miss Woolston will spend a few days at Victoria Falls before fly-

ing to Northern Rhodesia where she will visit relatives for some time. After a few days in Nairobi, Kenya Colony, she will fly to Rome, Italy and then to London for a week, before returning to Pinehurst in mid-June. Arrangements for the trip were made by the Shearwood Travel Service of Pinehurst.

The reduction in support prices for milk and butterfat from 90 to 75 per cent of parity for the April 1954-March 1955 marketing year is expected to result in generally lower prices.
