

Men Of Church Honor W. J. Hethcox At Manly; Group Remodels Building

The Men of the Church of Manly Presbyterian Church staged a testimonial supper Wednesday night for W. J. Hethcox, a member of the group, honoring the work he has done for the church and Sunday School.

The supper was held in the new recreation building of the church which was completed about four months ago and which includes cooking facilities. Ladies of the church were invited to the supper, but the cooking was done by members of the men's organization.

Organized some four months ago, with the help of the Men of the Church of Brownson Memorial Church here, of which A. L. Burney is president, the men's group at Manly is active and growing.

Biggest project of the Men of the Church at Manly has been remodeling the church structure. Working in spare time and at night, the men have installed a new insulating block ceiling and an oak floor and have painted the building throughout. New pews for the church have been ordered, to complete the remodeling program.

The work was completed in about two months, done entirely

on a volunteer basis by members of the men's organization.

Donald M. Smith is president of the group; Eveleth Richardson is vice-president; Theodore Yearby is treasurer; and Woodrow Boroughs is secretary. Lynn Palmer had charge of the painting and all members of the group helped in the work in some way.

At Wednesday's supper for Mr. Hethcox, he was presented with a Bible signed by members of the church.

The group will send two delegates, expenses paid, to the Men of the Church Convention in New Orleans, La., in October.

RETURNS FROM HOSPITAL

W. J. Graham of Cameron Route 2 returned to his home on Thursday of last week after being hospitalized since the last of June following a heart attack. He was carried first to Moore County Hospital, then transferred to the Veterans Hospital at Fort Bragg. He is now able to be up a few hours each day.

MRS. S. HARDIN of Route 2, FAIRMONT, N. C., SAYS: "We live on a farm and all the family work in the field. We find that since we have changed from flame-type cooking, we can spend more time in the field and our young daughter can prepare meals in a cool kitchen on our modern electric range. It's a pleasure for me to recommend electric cooking to all my friends."

You'll like it, too!

You take no chances in this case. The odds are all in your favor. The "sure thing" we're talking about is a wonderful way to brighten your home-life and lighten your housework. You can do it with the ONE efficient service you already have in your home—ELECTRICITY.

Since you already use it to clean your rugs; play your radio or TV; refrigerate your food or do your laundry; why not go COMPLETELY Electric. Put it to work to cook your meals and heat your water. For electricity is the ONE and ONLY household service that can do ALL your chores. And do a safer, cleaner, better job at lower total cost.

Thousands of homemakers, including some of your neighbors, have gone from TWO household services to ALL-Electric—and they like it! We bet you'll like it, too! Let us help you prove it to yourself—just call your nearest CP&L office.

BE MODERN—Go ALL-Electric!
SUMMER TIME IS FREEZING TIME!

Plan now to add sunshine to your winter meals with an Electric Home Freezer. You'll enjoy the sun-ripened flavor of fresh fruits, berries and vegetables during those long winter months ahead. Your Electric Dealer has a wide selection of Home Freezers in both Upright and Cabinet Models.

COOLER WASHDAYS AHEAD! Keep washday temperatures down this summer. Let an automatic electric washer do the work. Put in the clothes—set the dial, and forget it.

HOT WATER THE COOL WAY! All the hot water you'll ever need and the tank stays cool to the touch. The completely insulated heating elements of an electric water heater keep off the heat INSIDE the tank.
