

School Cafeteria In Spotlight

MRS. M. L. PALMER, assistant manager of the Southern Pines School cafeteria, examines meat loaf baking in the big double-decker oven in the cafeteria's kitchen. Some of the fresh bread that is delivered to the cafeteria daily is shown below. Mrs. Palmer's home is at Manly. Operation of the school cafeteria was to be the subject of a PTA program Thursday night of this week.

DINNER TIME—Children start through the line at Southern Pines School cafeteria in a typical scene that goes on five days a week from 11:25 a.m. to 12:45 p.m. Left to right, the children are Andy Horton, who is reaching out for a sandwich, Buddy Elvey, Dale Peterson and Phillip McGee, all from the fourth grade that leads off the cafeteria line each day. Serving, left to right, Mrs. L. T. Hall, dietician and cafe-

teria manager; Lynne Peterson, student assistant; Mrs. A. D. Jones who assists in food preparation; Elizabeth Darby, student assistant at mealtimes; and Mrs. W. J. Sessoms of Manly, also an assistant in food preparation. Mrs. Hall is handing out milk in sealed paper cartons, a half-pint to each child. A sanitary straw dispenser can be seen beneath her hand. Swaringen Now Dist. Engineer

As part of a series of changes made in district organizations in four divisions of the State Highway and Public Works Commission, Sam Swaringen of Aberdeen, former resident engineer, has been assigned to Aberdeen as district engineer for Lee, Moore, and Hoke Counties. Chatham and Randolph Counties are paired as a new district

with John Hall as engineer, stationed at Asheboro. Montgomery, Richmond and Scotland counties form another new district for which Oscar Brame will be engineer, with headquarters in Rockingham.

Mr. Brame with headquarters at Sanford, was formerly engineer for the district that included Moore.

Damage to the North Carolina peanut crop was minimized because of a lack of usual heavy rain accompanying a tropical storm.

MRS. W. J. SESSOMS of Manly, who assists in food preparation at the Southern Pines School cafeteria, removes from a stainless steel refrigerator a package of cheese to be used in preparation of school lunches for the 575 students who eat in the cafeteria daily. The cheese is obtained by the cafeteria through the U. S. Department of Agriculture surplus commodity program, says Mrs. L. T. Hall, manager and dietician.

MAINTENANCE PERSONNEL at the Southern Pines School cafeteria inspect a new dishwashing machine installed there this week. At left is Mrs. Odessa McLeod, with hand on one of the wooden trays on which dishes are sent into the machine. At right is Joe King, looking inside the dishwasher.

DEMOCRATS RALLY

(Continued from Page 1)

Mr. Hodges was introduced by H. Clifton Blue, Moore representative in the General Assembly. Expects 16,000 Majority

Mr. Deane revealed that for the past month he has intensively canvassed the political situation in each of the 12 counties of the District. From the interest shown in all counties, he expects the Democratic majority for Senatorial and Congressional candidates in the November 2 election in the Eighth District to go beyond 18,000.

The Congressman reported that Democratic leaders in each of the twelve counties are aroused and hard at work on getting out a large Democratic vote on November 2. Usually, in an off-year election when there is no Presidential campaign the size of the Democratic majority on a local basis is smaller because of a lack of interest on the part of voters in taking part in the election.

During the last off-year election of 1950 the Democratic majority for Congressman in the

Eighth District was 13,146; however, Mr. Deane feels that this majority will be pushed over the 18,000 mark this year.

Moore Goal Accepted

In analyzing previous election returns in Moore County, Mr. Deane indicates that in order for the Eighth District to attain its Democratic majority of 18,000 in Senatorial and Congressional races on November 2, it will be necessary for the Democrats of this county to roll up a majority of 2,100. Moore County leaders have accepted this goal and expect to go beyond.

Mr. Deane feels that the voters throughout the District, State and Nation are thoroughly aroused, and he is confident that the Democrats will organize both the House and Senate in the next Congress.

The Congressman expressed his appreciation not only to the senior Democratic Party leaders but also to the women and Young Democratic workers who have given so unselfishly of their services in the fall election.

CAROUSEL

(Continued from Page 1)

Southern Pines Country Club.

Jack S. Younts is general chairman of the event, while John Potte is tournament chairman, Mrs. B. M. Harrington and George Potte co-chairmen in charge of invitations and registration, and Warren Bell, entertainment chairman.

Entry blanks may be secured at the Southern Pines Chamber of Commerce, or will be mailed out on request. This is the first tournament to be sponsored by the Chamber of Commerce, and if successful will be made an annual affair.

ELECTION TUESDAY

(Continued from Page 1)

erson, Republican.

Unopposed Democratic candidates are Frank Crane for commissioner of labor, four candidates for associate justices of the Supreme Court and 15 candidates for Superior Court judges in various districts.

Five Amendments

In the voting on amendments, a choice will be given, for or against:

1. Vesting the General Assembly with authority to provide for the retirement of members of the Supreme Court and for the recall of such retired members to serve on said court in lieu of any active member who for any cause is temporarily incapacitated.

2. Authorizing the General Assembly to establish a board of paroles with complete authority to grant, revoke and terminate paroles.

3. Providing that where one county, constitutes a senatorial district, such county shall be limited to one senator in the General Assembly of the State.

4. Reducing the length of residence for voting in a precinct from four months to 30 days preceding an election.

5. Abolishing the requirement for an election for short term offices occurring between the date of the General Election and the following January first.

NEW START

(Continued from Page 1)

WEBB brought in clothing, bed clothes, mattresses, chairs, electric stove and other furniture and personal items.

The Junior Woman's club outfitted the children with clothing and the Does gave clothing and linens.

West Southern Pines residents took up a cash collection for the family.

Another house, with an electric stove outlet, was made available for the family in West Southern Pines and they were enabled to set up housekeeping within a few days after the disastrous fire.

Production of all hay in N. C. is currently estimated at a little over a million tons.

Damage to the North Carolina peanut crop was minimized because of a lack of usual heavy rain accompanying a tropical storm.

Enumerators In Farm Census of Moore Appointed

Appointment of the following Moore County people as enumerators in the 1954 Census of Agriculture has been announced by Crew Leader Arthur B. Atkins of Cameron:

Mrs. Doreen G. Brown, Route 2, Robbins; Julian C. Childress Carthage; Charles K. Cole, Jacksonville; Harold E. Garner Aberdeen; Mrs. Evelyn G. Garrison, Pinehurst; Mrs. Ernie C. Harris, Route 1, West End; Mrs. Fencie A. Hussey, Route 1, Eagle Springs; Marie Maness, Route 1, Robbins; Mrs. Violet F. Moore Route 1, Robbins; Mrs. Ruth G. Simons, Southern Pines; and Mrs. Mamie M. Thomas, Route 2, Carthage.

These enumerators will canvass

farms in most of Moore County.

The enumerator's duty is to locate every farm within the area assigned to him, interview each farm operator and obtain an accurate record of all farming operations as well as information covering farm facilities and equipment and related items. Enumerators work a minimum of eight hours daily and must be available for evening work if necessary to complete their assignments.

On Tuesday, the enumerators reported to the Courthouse at Carthage for a four day training session. They begin enumeration of the farms in their enumeration districts on November 1. It is expected that the enumeration will take from three to four weeks to complete.

The Tar Heel corn crop is forecast at almost 53 1/2 million bushels, which would constitute the lowest production of corn since 1944.
