#### 43,000 INVOLVED

Forty-three thousand of the 72,000,000 licensed drivers in the United States were involved in fatal motor vehicle accidents last year, in which 36,000 persons were killed. The 1955 edition of "Accident Facts," the National Safety Council's statistical yearbook, also shows that 1,350,000 drivers were involved in nonfatal injury accidents.
