Mr. and Mrs. D. G. Stutz observed their 50th wedding anniversary quietly but happily at their home Tuesday, with a number of long-time friends dropping by informally during the afternoon and evening to extend congratulations and good wishes. For the occasion the bride of 1905 wore a grey and black chiffon dress and a purple orchid corsage.

Members of the family at home on Tuesday were their two daughters, Mrs. Frederick Jackson, with Mr. Jackson and their sons, Frank and Joe, of Jefferson, Maine, and Mr. and Mrs. Garland Pierce and daughter Connie of Southern Pines.

Their granddaughter, Miss Ann Stutz, student at WCUNC, Greensboro, daughter of Commander and Mrs. M. Greer Stutz of Norfolk, Va., and their grandson, Garland Frank Pierce, of N. C. State College, visited them during the weekend.

A beautifully decorated wedding cake, given them by Mrs. Pierce along with a crystal plate inscribed with "50th Anniversary" in gold, were on the lace-covered table, and they received flowers, cards and other gifts.

Mr. and Mrs. Stutz were married at Margaretsville in Northampton County. They have lived in Southern Pines for the past 45 years. Mr. Stutz served as mayor here for 12 years.

CIVIC GARDEN CLUB BEGINS NEW SEASON WITH INTERESTING PROGRAM THURSDAY

A full and interesting program rewarded the 23 members and guests who attended this season's first meeting of the Civic Garden Club last Thursday. Mrs. James Hartshorne presided in the absence of Mrs. Frank Hale, president, who has not yet returned from her summer home at Sandy Point, Maine.

Mayor Voit Gilmore, after expressing appreciation of the Club's help in planting the West Southern Pines triangle, as part of the Finer Carolina contest last year, named three projects on which the Town Council will welcome suggestions from all interested citizens and visitors:

1. The placing of 12 new benches at strategic spots throughout the town, where they will be most used by strollers, bird watchers, and sight-seers.
2. Landscaping along the relocated Highway, especially north from Pennsylvania Ave. to Midland Road.
3. A cleanup campaign, designed primarily to keep town parkways and public grounds free of papers and other litter.

Mrs. James Douglas, under the topic "Garden Calendar," presented several timely suggestions for garden activities this month. Other speakers were Mrs. Roy Kelly, who gave explicit directions for soil preparation for fall plantings; and Mrs. William Toyne, who discussed the planting of bulbs, with special emphasis on methods and species for successful forced blooming indoors.

The clubroom was gay with arrangements and specimens of fall flowers, including roses, zinnias, marigolds with ageratum, and vinca. At the end of the program these were judged by a committee consisting of Mrs. M. Y. Poe, Mrs. Wade Stevick, and Mrs. Gilbert Redfern. Ribbons were awarded to Mrs. R. O. Cowin, Mrs. Dean Dorman, Mrs. James Hartshorne, and Miss Helen Butler; and to Miss Louise Haynes and Mrs. Dorman for African violet plants.

The Civic Garden Club meets the first Thursday of each month, at 3 o'clock, in the Civic Club building. All residents and visitors who are interested in gardening are cordially invited to attend the meetings.
