Fourth Defendant Draws Road Term In Assault Case

William Parrish, of Aberdeen, charged with being one of the main instigators in the assault on three airmen at the Air-Ground School in Southern Pines about a month ago, was convicted and sentenced to four months on the roads in Recorders Court Tuesday.

Parrish was not indicted at the same time as four other young men, all charged with the assault, three of whom were tried and convicted last week. The other one, Carey Wathen, is in the hospital.

The other three were Buck Kirk, Bobby Willard and Charlie Lewis.

Solicitor Lamont Brown termed the assault "one of the most useless" things he had ever heard of. Kirk drew a road sentence, suspended on payment of \$100 and costs, and the others also drew road sentences, suspended on payment of \$50 and costs.

Judge Rowe suspended Parrish's road sentence on condition he pay a \$100 fine and costs, and remain on good behavior two years.
